Dr. Murray's book provides a detailed analytical study of the development of

the Luftwaffe. The author takes an in-depth look at the "easy war" (1939-40) and the turn toward Russia in Operation Barbarossa. Dr. Murray investigates the war of attrition from 1942 through early 1944 and the reasons for the final demise of the Luftwaffe from April through September 1944.

Get the first three books in the SEAL of Protection Series (plus the bonus novella, Marrying Caroline) in a convenient low-priced package today. Over 600+ pages for suspense and hot Navy SEALs. Book 1: Protecting Caroline Find out how the NYT Bestselling Series got started. Caroline gets on a plane and never expects it to change her life...after helping to save the lives of everyone on

board, she spends a few days with the Navy SEAL who was beside her every step of the way. Now the terrorists are after her...will Wolf and his team make it back to save her life? Book 2: Protecting Alabama: Abe meets the woman of his dreams in the middle of a raging fire. Alabama is damaged from her horrible childhood. See how Abe woos the woman for him and then how he screws it up. Can Alabama get past what Abe did? Can Abe make amends to Alabama? Book 3: Protecting Fiona: Fiona has been rescued after being kidnapped and held in Mexico. The SEAL team, with Hunter, AKA "Cookie" rescues her and brings her back to the States. She has some healing to do, and even though she's free, sometimes that isn't enough to keep the demons at bay. Book 3.5,

Marrying Caroline (novella): Caroline and Wolf had a wild start to their relationship...plane hijacking, kidnapping, attempted drowning, and a terrorist plot foiled. Now things have calmed down and a wedding is in the works for the couple. By enlisting the help of Wolf's teammate, Cookie, Caroline is immersed in plans for her dream wedding. Of course, with their luck, things can never go off without a hitch.

My mom always said you don't get a second shot at making a first impression. I've remembered that my entire career. Especially since I'm one of the few black

men who play professional hockey. I'm calculated and respectful in the way I speak to my coaches, the owners, and the media. I've never taken a risk... until her. I could blame it on the fact that for once I pushed away the pressure of my career for the ocean waves, the sand, and good times with my new teammates. But those are excuses because the minute I saw her at the airport, something lit up inside me and the best week of my life was spent with her in my bed. After our week in paradise, we said goodbye, exchanged phone numbers and both assumed that unless one of us was flying through the other's city on the opposite side of the country, our vacation fling was over. Then one night after practice I see her. She's here. In my city. Telling me she

moved here for a job. If that's not fate tell me what is. I've never wanted a second shot more than I do this time, but she's determined to leave what we were on the island we left behind.

Heroes who do the right thing. No matter the price! Get FOUR full-length novels in this collection that includes the first book in each of Lynn's series! If you haven't been sure where to start, start here and enjoy stories about four military special ops teams set in Lynn's Hostile Operations Team® world. All books

stand alone! HOT PURSUIT - Book 1 in the Strike Team 1 Series HOT ANGEL - Book 1 in the Strike Team 2 Series HOT SEAL - Book 1 in the HOT SEAL Team Series BLACK LIST - Book 1 in the HOT Heroes for Hire, aka Black's Bandits, Series HOT PURSUIT: She failed at life. Can she win at love? Evie Baker lost everything that mattered. Her restaurant, her money, her self-respect. When she comes home to tiny Rochambeau, Louisiana, she's looking for a fresh start. What she isn't looking for is the tall, sexy, badass Cajun who stomped on her heart and left it for dead. Hostile Operations Team soldier Matt Girard isn't home for long. He's been ordered to stand down after a mission gone wrong. Above all, he's supposed to stay out of trouble. Easy

enough to do for a few days. Until Evie rolls into town with danger on her heels. Evie's not a warrior. But Matt is. And he'll do whatever it takes to protect her, even if it costs him everything he's ever worked for. Because sometimes you don't realize what you had until it's gone. Or what matters most until you get a second chance... HOT ANGEL: She's damaged. He's ruthless. Together, they're combustible... Brooke Sullivan's carefully ordered existence is spiraling out of control. Two years ago, she was violently abducted by a terrorist group and nearly killed. She's worked hard to get her life back on track—moving to a new house, changing careers, going on a couple of dates. When she witnesses a murder, she's plunged into a new nightmare. And as the past threatens to

repeat itself, she's not sure she'll survive this time. Cade "Saint" Rodgers never forgot the beautiful girl he talked to at the wedding of his commanding officer. Now she's in trouble, and he's the one tasked with protecting her. Brooke is terrified of men like him—a black-ops soldier for whom violence is a way of life—which makes falling for her a terrible idea. But that won't stop Cade from using every sensual trick he's got to make her believe anything is possible if only she wants it badly enough. As danger draws closer, it'll take all Cade's strength—and all Brooke's determination—to learn how to let go of the past and trust each other. But it might not be enough. To keep her safe, he may have to let her go forever... HOT SEAL: Saving the world? No problem.

Faking a relationship with his ex-wife to do it? Problem! When a terrorist steals a drug submarine, Navy SEAL Dane "Viking" Erikson finds himself thrust into his first HOT mission with an unexpected partner: his ex-wife, DEA agent Ivy McGill. Dane doesn't want to work with the one woman who still twists him up inside, but he can't refuse a direct order from his commanding officer. Ivy's on a mission of her own - to put the ruthless drug dealer she blames for her mother's death out of business for good. If she has to work with Dane to get it done, she will. And she absolutely will not fall for his hard muscles and killer smile ever again. Once burned, twice shy. But Dane and Ivy have never been able to keep their hands off each other. While they may believe that sex and love don't

intertwine, they'll find out what's real and what isn't when a dangerous player takes matters into his own hands. They'll need to be more than a team to survive what's coming their way - and it's not going to be easy! BLACK LIST: Jace Kaiser is a man without a country, without connection. His only loyalty is to the group who saved him, and the man who leads them. Until her... The assignment should have been easy. Capture a deadly assassin and take her to HQ. But flawed intel leads to disaster, and Jace abducts a beautiful art appraiser instead. Intrigued by her courage, he's drawn to her in ways he can't explain. Dr. Madeline Cole stood up to him, fought for her identity, and never backed down. She's the kind of woman he could fall for if it wasn't so dangerous

- for her. Then Maddy is targeted for elimination because she's the sole person who can identify the mysterious female assassin - and the only thing standing between her and certain death is the sexy mercenary who swears he'll die before he lets anything happen to her. As the passion between them ignites, it seems clear that keeping Maddy safe has become the most important assignment of Jace's life. Even then, protecting her might not be enough - because Jace has secrets that could destroy them both. And someone is determined to unmask them all...

How far will one man go to save the life of a stranger? More importantly to Caroline, will he do it twice? Matthew "Wolf" Steel hated flying commercial. Luckily his job as a Navy SEAL meant he didn't have to do it very often. He'd been unlucky enough to be assigned a middle seat on the cramped jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping

for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for a terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd see, or need, Wolf, she'd be sorely mistaken. \*\*Protecting Caroline is a stand-alone love story. She swore she'd never use the phone number he gave her, but considering what was lying on the floor in front of her, she knew she needed help. Tex gave everything he had to his country

and his SEAL teammates. When an IED took away part of his leg, and his career, he devoted himself to his country and friends from behind his computer. He's always been the man that can find anyone, that uses his computer skills, legal and illegal, to keep people safe and to put the bad guys behind bars. But behind a computer is a lonely place to be. While he might put on a good front, Tex can't help but feel he's missing out when he sees how happy his friends are. But when the woman he's been talking to online for the last six months suddenly disappears without a word, Tex knows it's time to step up, and use his skills for himself this time. \*\*Protecting Melody is the 7th book in the SEAL of Protection Series. She knew she wasn't brave, but time was running out and she was the only one who could save his life. Kason "Benny" Sawyer was the last single man on his Navy SEAL team. He loved his teammates like brothers and respected each and every one of their women. They'd all been through hell and they deserved their current happiness. But

seeing the love between his friends and their women made it tough to be the odd man out all the time. Jessyka Allen had a good life, until it wasn't anymore. Finding herself in an impossible situation, with no noticeable way out, her job was an escape. Working at the small Bar and Grill put her in contact with some wonderful people, who Jess figured couldn't ever understand what she was going through. Being a SEAL, Benny thought he knew the true meaning of teamwork and friendship. But Jess would show him that everything he thought he knew about sacrifice, trust, and love, paled in comparison to what she brought into his world. \*\*Protecting Jessyka is the 6th book in the SEAL of Protection Series. The heat was staggering and she began

to feel light headed. But she wasn't leaving without him. Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself. Christopher "Abe" Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words

would change both their lives and they'd have to fight hard for their happy ever after. \*\*Protecting Alabama is a stand-alone love story. She might be killed by the bomb strapped to her chest, but she wasn't going to bring anyone else down with her. Living in Southern California, Cheyenne was used to seeing hot military men as she went about her daily business. An anonymous encounter at the grocery store cemented her crush on one such man. He was big, built, and incredibly easy on the eyes, but it wasn't as if he would ever really notice her. Always in control of any situation, Faulkner "Dude" Cooper knows explosives. As a bomb expert, he's lived through many high pressure situations. Disfigured by a bomb while on a mission, he's used to being looked at with pity. When he's called to a local supermarket

to assist the local PD, the last thing he expects to find is a generous act of kindness performed by a beautiful, amazing woman. Enchanted by her selflessness in the face of danger and intrigued by her actions to save civilians she didn't know, Dude's hooked. Dude was able to save Cheyenne from the group of thugs trying to take her life, but when the past comes back to haunt them both, sometimes having the knowledge and the desire isn't enough to beat the countdown of the clock. \*\*Protecting Cheyenne is the 5th book in the SEAL of Protection Series. It can be read as a stand-alone, but it's recommended you read the books in order to get maximum enjoyment out of the series. --- Read what others are saying about New York Times bestselling

Just friends. I'd repeated the lie so many times I'd almost convinced myself it was the truth. Our friendship was accidental. A lost phone, a string of text messages that led to a once-a-year birthday text. The real trouble started when we upped the game and called each other. Those phone calls strengthened our connection and solidified our bond. Fourteen years later I was in love with a man who knew me down to the deepest depths of my soul—but I'd never seen him, not even a picture. That was our deal; no last names, no pictures, and the promise to never internet search the other. I upheld that promise. River did not. I was not

prepared for the man who showed up at my bookstore. River Kent was tall—so damn tall, good-looking, so damn hot he took my breath, crystal blue eyes, so damn captivating I couldn't look away. But mostly he was a bossy, straightforward, tell-no-lies type of man. Which didn't work for me since I'd been lying through my teeth for years denying my true feelings. More than that, I was not prepared to face River months after my sister had been murdered. I wasn't ready to deal with the knowledge that she was gone and in the weeks leading up to her death I'd turned my back on her. The guilt was eating at me. River wasn't prepared to take no for an answer. Chaos and confusion had taken over my life. And to make matters worse, I found myself in the middle of a

horrific child trafficking case. Okay, to be fair, I didn't find myself there, I'd purposefully inserted myself into the TAKEBACK investigation. And since I'd volunteered to go undercover, River did more than insert himself—he took over and declared himself my protector. Did I mention I was madly, deeply in love with him? Did I mention he was the man of my dreams? Did I mention River thought going undercover was dangerous, crazy, and not a good idea? Turns out River was right and just when all of my wildest dreams had come true they were torn away and I was left in shambles.

New York Times bestselling author Laura Thompson returns with *Heiresses*, a

fascinating look at the lives of heiresses throughout history and the often tragic truth beneath the gilded surface. *Heiresses*: surely they are among the luckiest women on earth. Are they not to be envied, with their private jets and Chanel wardrobes and endless funds? Yet all too often those gilded lives have been beset with trauma and despair. Before the 20th century a wife's inheritance was the property of her husband, making her vulnerable to kidnap, forced marriages, even confinement in an asylum. And in modern times, heiresses fell victim to fortune-hunters who squandered their millions. *Heiresses* tells the stories of these million dollar babies: Mary Davies, who inherited London's most valuable real estate, and was bartered from the

age of twelve; Consuelo Vanderbilt, the original American “Dollar Heiress”, forced into a loveless marriage; Barbara Hutton, the Woolworth heiress who married seven times and died almost penniless; and Patty Hearst, heiress to a newspaper fortune who was arrested for terrorism. However, there are also stories of independence and achievement: Angela Burdett-Coutts, who became one of the greatest philanthropists of Victorian England; Nancy Cunard, who lived off her mother's fortune and became a pioneer of the civil rights movement; and Daisy Fellowes, elegant linchpin of interwar high society and noted fashion editor. *Heiresses* is about the lives of the rich, who—as F. Scott Fitzgerald said—are ‘different’. But it is also a bigger story

about how all women fought their way to equality, and sometimes even found autonomy and fulfillment.

A second chance at happiness is rare, but they will stop at nothing for love and family. At just ten years old, Tommy has already been through more horror than most people suffer their entire lives. So when he's placed in his latest foster home, under the gentle care of Abe and Alabama Powers, he lashes out. He's scared, confused, angry...and convinced it won't be long before these new foster parents send him away, too. No one wants a boy his age, especially one who's broken, dirty. It'll take all of Alabama and Abe's love, the sibling adoration of his foster sisters, Brinique

and Davisa, and Abe's entire extended SEAL family to prove to Tommy that being nice, being respectful, and opening his heart to love are things he can choose. Even still, despite so much support, it's hard for Tommy to believe he deserves a loving family, and a second chance at happiness. Until one of the most unexpected friends arrives, just when Tommy needs him the most. He'll show the little boy just how special he is...even if he has to use a little magic to prove it. \*\*Protecting Alabama's Kids is in the SEAL of Protection Series. It's Better to Be Feared: The New England Patriots Dynasty and the Pursuit of Greatness EverAfter Romance

Julie Lytle is working hard to turn her life around. Being kidnapped by sex traffickers changed her drastically, but having grown up the spoiled daughter of a senator, Julie wishes she could've changed just a little sooner. Shamed by her behavior toward the woman rescued alongside her, and further embarrassed and guilt-racked over the way she treated the SEALs who risked their lives on her behalf, Julie is desperate to make amends. With help from a D.C.

acquaintance who'd endured her own harrowing experience, Julie connects with Patrick Hurt, Commander of the SEALs who'd saved her life. If she can prove she's not the same person who mistreated his team, he'll grant her request to meet them-but not before the protective, sexy man makes a surprising request of his own.

"For the life of him, William "Scoob" Lamar can't seem to stay out of trouble--and now the run-ins at school have led to lockdown at home. So when G'ma, Scoob's favorite person on Earth, asks him to go on an impromptu road trip, he's in the RV faster than he can say FREEDOM. With G'ma's old maps and a strange pamphlet called the 'Travelers'

Green Book' at their side, the pair takes off on a journey down G'ma's memory lane. But adventure quickly turns to uncertainty: G'ma keeps changing the license plate, dodging Scoob's questions, and refusing to check Dad's voice mails. And the farther they go, the more Scoob realizes that the world hasn't always been a welcoming place for kids like him, and things aren't always what they seem--G'ma included" --

## **REVIEW OF BOOK**

### **PROTECTING ALABAMA SEAL OF PROTECTION 2 SUSAN STOKER**

- I thought the Giver is a really good book because it was exciting to read. This book is about a boy who lives in a

perfect world. He gets the most important job in his community which is Receiver of Memory. It is his job to keep these memories until a new Receiver is chosen. I would recommend this book to read because it is very exciting.

- "The Giver" by Lois Lowry is an insightful novel that gives us the perspective--what would happen if there were no feelings? What if there was no

pain? What if there was no happiness or passion? The world would live in a utopia, but would it really be worth it? The novel follows a boy named Jonas who discovers feelings, but everyone around him remains neutral. He wants to show them pain, happiness, warfare, fear, passion. But, such things could ruin the utopia. The novel really gives you a grateful feeling that you can experience feelings.
