## **REVIEW OF HOLY BIBLE**

- A short, though not cursory, examination of the British culture that America has inherited and improved on gives the lie to those who claim the US is merely the polyglot combination of a

thousand equal influences (if you were taught that the Iroquois gave us democracy, you know what I mean.). Kirk examines four ways in which America carries the torch of British civilization: the English language, the common-law tradition (which could have been better explained), representative government, and the general mores. Good quick read for the Anglosphere fan, but should not be your exclusive resource.

- Marjorie Garber's "Shakespeare After All" is first-rate scholarship on Shakespeare's plays. It is a 'must have' for anyone interested in Shakespeare's works - whether the person has a casual interest or a scholarly background. The information is conveyed in an accessible style. I have purchased a number of copies and given this work as gifts to friends. One should pick it up and read it before seeing any performance of the plays. Kudos, Ms. Garber! EXCEPTIONAL WORK ...Mj MooreDetroit
