REVIEW OF 2013 IB ITGS HL PAPER 1 MARKSCHEME

- this book has many practice problems and

is well organized with a complete math summary at the end. it helped raised my score by 100 points.

- My husband got this as a hand me down and started reading it today. I glanced at the page he had open and am horrified at what I read. Page 8 in the grey box titled "Age Differences" and I quote "For the first 6 months, infants do not feel love and affection. They are wholly dependent on their caretakers to have their needs met-that's all". What old school garbage! As a mother of a 3 week old it's already obvious to me that my daughter feels love and affection.
