## REVIEW OF DIGITAL DESIGN 5TH EDITION SOLUTION

- Originally I purchased this book because my Granddaughter's name is Sophia and I know how little ones enjoy stories that include their name. But I would purchase this book for a little one just because it is a good book. The pictures are bright and bold, the text right at the level of a preschooler AND it opens up to display a long train! A fun book to read together!
- I really enjoyed reading this book. It helped to bring to life the characters from the Bible. I would recommend it to anyone who enjoys historical fiction.
