REVIEW OF THE WAR THE INFANTRY KNEW 1914 1919 A CHRONICLE OF SERVICE IN FRANCE AND BELGIUM HISTORY GREATS

- My mother read this book when she was 13. I read it when I was 13. I don't have a daughter, but if I did, I'd surely present her with a copy of this when she

reached "the age". Has your daughter read it? Don't settle for just the movie (although that's wonderful, too)! Read it!

- This is a very interesting, readable account of a biracial adoptee's search for her birth parents. Growing up, she fixates on the idea of an imaginary but vividly detailed African-American birth mother. Finding out that her actual birth mother is white is only the first shift she must make in her outlook. Subsequent revelations shatter some other expectations, but there are some happy

surprises too. Every step of the way, though, the relatives she turns up are actual people, with histories and flaws and good points and bad points, not one-dimensional characters ecstatically welcoming the lost sheep. It wasn't a major point in the book, but I just had to laugh when the author described her lack of enthusiasm for the adoptive family's hiking and birdwatching expeditions, even though she was adopted as a baby. A very funny nature/nurture case study.
