REVIEW OF ASM HANDBOOK PROPERTIES AND SELECTION NONFERROUS ALLOYS AND SPECIAL PURPOSE MATERIALS ASM HANDBOOK VOL 2

- I thought this book was almost as good as the first Rowan story (on the mountain). I liked this story because it had things that happened when I least expected it. It had riddles, which i really like. It gave me a good reason to stay up late! It took me about a week to read. My brother and I both think Rowan is a great series.

- Parents who must deal with the daily unpredictability of seizures and the side effects of medication often find it confusing to understand what to expect. Growing Up With Epilepsy will appeal to busy parents who want a quick reference guide: information is organized in a manner easy to look up, chapters discuss social and behavioral as well as psychological concerns and issues, and parents receive basic tools to help their kids through all manner of concerns. An important tool for everyday living.
