Keep in mind, checking out testimonials can aid you make notified decisions regarding what to review next and can subject you to new writers and categories you may not have taken into consideration previously.

### REVIEW OF REALIDADES 2 EXAMEN DEL CAPITULO 1B PEARSON ANSWERS

- I absolutely loved this book. It was touching and inspiring and

just wonderful. It's the story of a young girl marrying a man twice her age to save her family. She is widowed and accused by the village people of murdering her husband and being a witch. She is befriended by the village priest and a deaf boy who everyone thinks is mad. It's a love story, if anyone wants to know. It's hard for me to read a book without one. But, though there is romance in it, there's compassionate love and understanding love. The witch trial and the low-tolerance level of the villagers is appalling and sadly all too true of that time period and this one if you think about it. But, it's a truly moon-good (from the book) piece of art.

- This is the sequel to the book *The Gift* (one of my favorite books). Princess Alesandra, fresh from the convent school, is transported to England in order to find a husband in attempt to keep herself safe from the advances of a power hungry dictator General bent on over-running her home country by capitalizing on the love the citizens had for her and her old ruling family. She arrives to find her guardian, her father's best friend, is suffering an ailment and in order to prevent her becoming ill as well, he sends her to live at his son's house. Colin is a confirmed bachelor who is surprised to find a beautiful woman living in his house. He smells his father's matchmaking efforts from the beginning and immediately takes exception. Nevertheless he gets into the spirit of things and agrees to help her find a husband. However every fellow suggested is suddenly not good enough for her, and he finds himself fighting a powerful attraction...and burgeoning jealousy. I thought this was a lovely book. Good story.
