REVIEW OF INTRODUCTION TO RENEWABLE ENERGY BY VAUGHN C NELSON

- "In the beginning God created the heavens and the earth."- Genesis 1:1, "Through him(Jesus) all things were made; without him nothing was made that has been made."- John 1:3 God says only He created the world. If you purchased this

book, it's most likely because you have a scientific background. Being scientific should consist of testing something and THEN drawing a conclusion. The majority of "atheists" or "evolutionists" I have spoken with, have never actually read the bible, they just find verses off of atheist websites that take scripture out of context. That's not very scientific to draw a conclusion that the bible is wrong, without actually reading it. I want to challenge you to read the bible for yourself starting in the gospel of John and then you can decide. If heaven does exist would you go? Do you consider yourself a good person? Would GOD consider you a good person? Let's

take a look- how many lies have you told in your whole life? Hundreds? Thousands? What do you call someone who lies? Have you ever stolen anything? Music from online, something from a sibling, time from work, cheated on a test? What do you call someone who steals? Have you ever looked after a man or woman in lust desiring them? "But I tell you that anyone who looks at a woman lustfully has already committed adultery with her in his heart."- Matthew 5:28 This means that God not only judges our actions but our thoughts? Would you be in trouble when God judges you after you die? Let's see what the bible says "But the cowardly, the unbelieving, the vile,

the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars-- their place will be in the fiery lake of burning sulfur. This is the second death."- Revelation 21:8. If you are honest with yourself, you will see that you deserve hell because you and I have both sinned against a righteous and holy God. But the good news is that God sent his ONLY Son to die on a cross and take the punishment you deserve. He lived a perfect life, died one of the worst deaths and rose again conquering sin and death. "For God so loved the world, He gave His only begotten Son that whoever believes in Him, should not perish but have eternal life"- John 3:16.

If you repent and put your trust in Jesus he will forgive your sins. Cry out to Him and ask for forgiveness and turn from your sins to put your trust only in Jesus of the bible. Know that you can NEVER earn your way into heaven. Nothing you do is good enough as even our good deeds are considered filthy rags in God's sight. We can never join a specific church, do works, do rosary beads, etc... Salvation is found in Jesus ALONE. "Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me."- John 14:6

- Its hard to find a single resource for nursing that has complete anything. This book allows you to

review systems, look up individual pathologies & gives relevant interventions. It also includes a comprehensive section with easy interpretation of abnormal lab values. It offers a lot more than all of my nurse care plan books! Excellent for new students!
