REVIEW OF SHANTAE HALF GENIE HERO FRIENDS TO THE END PC FULL ESPA OL

- Tom Brokaw is not a gifted writer. He wrote this book in the same dry and simple style as he uses with his TV audience. The book is completely stripped of romance and soul for the sake of the lowest common denominator. I have met many WW2 veterans who tell stories woven with romance and heartbreak that bring tears to your eyes. This is not represented in any of the 4 page biographies of these common place heroes. Pure non-fiction at its most uninspiring.

- This is an abridged edition (although it says unabridged in the product description) and the print is VERY small.
