REVIEW OF DANNY THE CHAMPION OF THE WORLD

• This is how I've always wanted a Batman comic to be. Morbid, horrific, twisted, humorous, and a lot fun to read. So many of the Batman comics out there now are like bad Frank Miller impersonations. BATMAN IS A HARDASS! THINGS ARE DARK! GOTHIC! RAPE! TORTURE! DRUGS! POUNDING VILLAINS TO A BLOODY PULP! GRITTY INTERNAL MONOLOGUE! Its gotten to a point now where the books are

no longer about entertainment, but about how DARK you can be. This book is a refreshing change. For one, Batman is hardly in it. Dan Slott describes the plot, "Warren White is a corporate weasel who gets cast down into the pits of Arkham. There, he will suffer horribly at the hands of Batman's Rogues Gallery. It's the pure, guilty pleasure of schadenfreude." The story follows White's story is the 'fish' amongst the terrifying and thoroughly insane regulars and the (surprisingly excellent) new creations in Arkham Asylum, and they all combine perfectly in a Prison-drama meets Supernatural-horror tale... Okay, it IS dark, and violent, but its also very entertaining. Dan Slott's writing is fun, balancing the physically threatening (Croc, Joker, Two-face), and the apparently harmless but extremely dangerous (Mad Hatter, Scarface, Humpty Dumpty, Scarecrow). His new villains so perfectly fit the Batman universe that it isn't apparant that they're new inventions at all. The dialogue is witty, consistently in-character, and the storytelling completely satisfying and not too heavy or 'clever'. Ryan Sook's artwork is direct and concise, and his mastery of expression and caricature is a real boost to Slott's writing. Unlike so many other 'Arkham' stories which rely on over-the-top artistry to achieve a mood, Sook's clean lines and coloring really let the horror and absurdity of the story shine. The most immediate comparison that most people make with this story is Grant Morrison and Dave McKean's 'Arkham Asylum'. Morrison's book is intellectual masturbation disguised as high-art with no story to speak of... Batman wanders around and has a few conversations and some confusing fights. Slott's book on the other hand is a black comedy about a self-made 'shark' rendered utterly helpless through his own machinations, as well as a carefully balanced series of characters interacting with dangerous, violent, morbid, cruel, humorous, and downright entertaining circumstances. No comparison. There are so many very entertaining mini-stories in this book that alone make it worth its (surprisingly low) cover-price, but if you're after a Batman villain story which isn't afraid to be morbid AND funny, I'd thoroughly recommend this book.

• I loved the "Upper Room" by Mary Monroe just as much as "God don't like Ugly" but I couldn't stop making comparisons because both stories parrallel in some ways. Both are very tell it like it is and politically incorrect. The way they talk to and about people, we wouldn't do today. People getting roughed up, raped, killed like it's nothing, how times have change. I was expecting Rhoda Nelson (or her husband) to pop up any second. Half of the book focuses on 'Mama' Ruby's character who steels her friend baby that she believed to be dead and raises it as her own. Moves to Goons, FL along with Maureen and Virgil to live a life there, slaying people left and right, and drinking beer. Then we're focused on Maureen as she grows up, trying to get away from overbearing Ruby, who is way overprotective because she is 'special'. The "Upper Room" is a very haunting, hilarious novel. Kind of reminds me of Alice Walker and Stephen King's work with M. Monroe's special touch.
