cher barbara walters interview: Our Monica, Ourselves Lauren Berlant, Lisa A. Duggan, 2001-03-01 Alongside the O.J. Simpson trial, the affair between Bill Clinton and Monica Lewinsky now stands as the seminal cultural event of the 90s. Alternatively transfixed and repelled by this sexual scandal, confusion still reigns over its meanings and implications. How are we to make sense of a tale that is often wild and bizarre, yet replete with serious political and cultural implications? Our Monica, Ourselves provides a forum for thinking through the cultural, political, and public policy issues raised by the investigation, publicity, and Congressional impeachment proceedings surrounding the affair. It pulls this spectacle out of the framework provided by the conventions of the corporate news media, with its particular notions of what constitutes a newsworthy event. Drawing from a broad range of scholars, Our Monica, Ourselves considers Monica Lewinsky's Jewishness, Linda Tripp's face, the President's penis, the role of shame in public discourse, and what it's like to have sex as the president, as well as specific legal and historical issues at stake in the impeachment of Bill Clinton. Thoughtful but accessible, immediate yet far reaching, Our Monica, Ourselves will change the way we think about the Clinton affair, while helping us reimagine culture and politics writ large. Contributors include: Lauren Berlant, Eric O. Clarke, Ann Cvetkovich, Simone Weil Davis, Lisa Duggan, Jane Gallop, Marjorie Garber, Janet R. Jakobsen, James R. Kincaid, Laura Kipnis, Tomasz Kitlinski, Pawel Leszkowicz, Joe Lockard, Catharine Lumby, Toby Miller, Dana D. Nelson, Anna Marie Smith, Ellen Willis, and Eli Zaretsky.

In the shadow of her success, Cher has married twice, battled depression, defied the censors, and dealt with the tragedy of Sonny Bono's early death. Including exclusive interviews with Cher and those she has worked with on and off stage, Strong Enough documents the ins, outs, ups and downs of a one-name American icon at her outrageous best - by the writer behind Cher's Vegas tour programmes.

cher barbara walters interview: That's the Way It Is Charles L. Ponce de Leon, 2016-09-09 Ever since Newton Minow taught us sophisticates to bemoan the descent of television into a vast wasteland, the dyspeptic chorus of jeremiahs who insist that television news in particular has gone from gold to dross gets noisier and noisier. Charles Ponce de Leon says here, in effect, that this is misleading, if not simply fatuous. He argues in this well-paced, lively, readable book that TV news has changed in response to broader changes in the TV industry and American culture. It is pointless to bewail its decline. That's the Way It Is gives us the very first history of American television news, spanning more than six decades, from Camel News Caravan to Countdown with Keith Oberman and The Daily Show. Starting in the latter 1940s, television news featured a succession of broadcasters who became household names, even presences: Eric Sevareid, Walter Cronkite, David Brinkley, Peter Jennings, Brian Williams, Katie Couric, and, with cable expansion, people like Glenn Beck, Jon Stewart, and Bill O'Reilly. But behind the scenes, the parallel story is just as interesting, involving executives, producers, and journalists who were responsible for the field's most important innovations. Included with mainstream network news programs is an engaging treatment of news magazines like 60 Minutes and 20/20, as well as morning news shows like Today and Good Morning America. Ponce de Leon gives ample attention to the establishment of cable networks (CNN, and the

later competitors, Fox News and MSNBC), mixing in colorful anecdotes about the likes of Roger Ailes and Roone Arledge. Frothy features and other kinds of entertainment have been part and parcel of TV news from the start; viewer preferences have always played a role in the evolution of programming, although the disintegration of a national culture since the 1970s means that most of us no longer follow the news as a civic obligation. Throughout, Ponce de Leon places his history in a broader cultural context, emphasizing tensions between the public service mission of TV news and the quest for profitability and broad appeal.

cher barbara walters interview: *Quotation Marks* Marjorie Garber, 2016-05-06 Written with characteristic verve, *Quotation Marks* considers, among other subjects, how we depend upon the most quotable men and women in history, using great writers to bolster what we ourselves have to say. The entertaining turns and reversals of Marjorie Garber's arguments offer the rare pleasure of a true essayist.

cher barbara walters interview: *Making a Living Without a Job* Barbara Winter, 2009-07-22 A guide to making money sans job offers insight-provoking interactive tests, self-evaluations, charts, and checklists, as well as numerous anecdotes about people who are successfully self-employed. "If you are ready to stretch your mind to the idea of making a living without a job, you'll find plenty of encouragement and practical information here. Designing a lifestyle for yourself that nurtures and supports who you are and what you value won't happen instantaneously, but this book will certainly make the process simpler and easier for you. Becoming joyfully jobless begins with a commitment to self-discovery, a curiosity about your potential, and a willingness to acquire the information and skills that will enhance your work. Your way will be unlike anyone else's, although you will share a deep camaraderie with others on this path. Being your own boss is both heady and humbling, but it's seldom boring." —Barbara J. cher barbara walters interview: *The Year in Television, 2008* Vincent Terrace, 2009-04-23 In 2008, the broadcast networks, cable channels and syndication produced nearly 1,100 new and continuing entertainment programs--the most original productions in one year since the medium first took hold in 1948. This reference book covers all the first run entertainment programs broadcast over the airwaves and on cable from January 1 through December 31, 2008, including series, specials, miniseries, made-for-television movies, pilot films, Internet series and specialized series (those broadcast on gay and lesbian channels). cher barbara walters interview: *I'm Back for More Cash* Tony Kornheiser, 2011-12-07 I think it's really cool to be on a jury. Take the O.J. jury—the people on that jury got book deals, and they got on Nightline, and some of them even got to meet Greta Van Susteren! They were always

being written about in the newspapers: “Juror No. 1, a thirty-six-year-old Caucasian male with a master’s degree who works for a high-tech corporation.” Throw in a line about how “he likes to hunt and fish,” and you’ve got *The Dating Game*. I wonder what they’d write about me. “Juror No. 4, a fat, bald, old, whiny Caucasian man who dresses like a vagrant and has complained incessantly about the texture of the toilet paper in the jury lavatory.” I try to diet, but unfortunately I’ve come to the point in life where nearly everything disgusts or disappoints me except food. And so I eat all day long. If I had a family crest, at this point it would be a man with a chicken breast in one hand, a cheeseburger in the other, and a garland of sour-cream-and-onion potato chips around his head. Tony Kornheiser is back. The celebrated Washington Post columnist and ESPN radio and TV personality relates his experience as an OnStar user, a proud new owner of the Ronco Showtime Rotisserie & BBQ, and a “phone-a-friend” on *Who Wants to Be a Millionaire*. And in between, he dishes out political commentary on Monica and Bill and Al and George W. Read all about his quest to fit into size 36 Dockers and his struggle to buy holiday gifts. And know that in the process you’re handing this Kornheiser guy the dough for these columns twice. I got into the stock market late. I was deep in my forties and I still had all my money in the bank, earning 2 percent, like it was low-fat milk. My friends laughed at me. Even the people at the bank laughed at me—they had all their money in the market. So I gave my money to a financial adviser, who promised me he would get me a greater return than the bank. A baboon could do that, Tony. Yes, but would a baboon give me steak knives? —from *I’m Back for More Cash*

cher barbara walters interview: Ladies Who Punch Ramin Setoodeh, 2019-04-02 THE INSTANT NEW YORK TIMES AND WALL STREET JOURNAL BESTSELLER Like *Fire & Fury*, the gossipy real-life soap opera behind a serious show. When Barbara Walters launched *The View*, network executives told her that hosting it would tarnish her reputation. Instead, within ten years, she’d revolutionized morning TV and made household names of her co-hosts: Joy Behar, Star Jones, Meredith Vieira and Elisabeth Hasselbeck. But the daily chatfest didn’t just comment on the news. It became the news. And the headlines barely scratched the surface. Based on unprecedented access, including stunning interviews with nearly every host, award-winning journalist Ramin Setoodeh takes you backstage where the stars really spoke their minds. Here’s the full story of how Star, then Rosie, then Whoopi tried to take over the show, while Barbara struggled to maintain control of it all, a modern-day Lear with her media-savvy daughters. You’ll read about how so many co-hosts had a tough time fitting in, suffered humiliations at the table, then pushed themselves away, feeling betrayed—one nearly quitting during a commercial. Meanwhile, the director was being driven insane, especially by Rosie. Setoodeh uncovers the truth about Star’s weight loss and wedding madness. Rosie’s feud with Trump. Whoopi’s toxic relationship with Rosie. Barbara’s difficulty stepping away. Plus, all the unseen hugs, snubs, tears—and one dead rodent. *Ladies Who Punch* shows why *The View* can be mimicked and mocked, but it can never be matched.

cher barbara walters interview: Audition Barbara Walters, 2009-05-05 #1 NATIONAL BESTSELLER • An inspiring and riveting memoir from the most important woman in the history of television journalism. “A delightful tale of the golden age of television.... Juicy behind-the-scenes details of the celebrities she’s interviewed, mixed in with stories of her own trials and tribulations.” —The Washington Post After more than fifty years of interviewing heads of state, world leaders, movie stars, criminals, murderers, inspirational figures, and celebrities of all kinds, Barbara Walters turns her gift for examination onto her own extraordinary life. Walters was the product of a turbulent childhood that featured a glamorous father who made and lost several fortunes as well as the companionship of a mentally challenged sister. Feelings of responsibility for her family played a large part in the choices she made as she grew up: the friendships she developed, the relationships she had, the marriages she tried to make work. Ultimately, thanks to her drive and a decent amount of luck, Walters made it to the top of a male-dominated industry. She was the first woman cohost of the *Today* show, the first female network news coanchor, the host and producer of countless top-rated *Specials*, the star of *20/20*, and the creator and cohost of *The View*. She has not only interviewed the world’s most fascinating figures, she has become a part of their world. These are

just a few of the names that play a key role in her life, career, and book: Yasir Arafat, Warren Beatty, Menachem Begin, George H. W. Bush, George W. Bush, Jimmy Carter, Fidel Castro, Hugo Chávez, Bill and Hillary Clinton, Roy Cohn, the Dalai Lama, Princess Diana, Katharine Hepburn, King Hussein, Angelina Jolie, Henry Kissinger, Monica Lewinsky, Richard Nixon, Rosie O'Donnell, Christopher Reeve, Anwar Sadat, John Wayne . . . the list goes on. Barbara Walters has spent a lifetime auditioning: for her bosses at the TV networks, for millions of viewers, for the most famous people in the world, and even for her own daughter, with whom she has had a difficult but ultimately quite wonderful and moving relationship. This book, in some ways, is her final audition, as she fully opens up both her private and public lives. In doing so, she has given us a story that is heartbreaking and honest, surprising and fun, sometimes startling, and always fascinating.

cher barbara walters interview: *Run Run Run* Jack Hoffman, Dan Simon, 2020-01-14 Intertwining the details of Abbie Hoffman's intense personal life with the movement politics of the sixties, seventies, and eighties, Dan Simon writes Abbie's story from the point of view of his younger brother Jack, creating a full and poignant portrait of one of the geniuses of the 1960s counterculture. From the creation of the Yippies! in 1967 and the tumult of the 1968 Democratic National Convention protests, to the humor and agony of the Chicago conspiracy trial, the scandal of Abbie's 1973 cocaine bust, and his six and a half years as a fugitive, to his reemergence as environmentalist Barrie Freed' and his final struggle with manic-depressive illness, this biography offers a compelling examination of the contradictions that make Abbie Hoffman such a compelling figure. With the information and affection only a brother could bring to the complexities of Abbie's life, Hoffman and Simon portray Abbie's public persona alongside his private aspirations and fears, romances, and enduring family relationships.

cher barbara walters interview: *Gloria Steinem* William H. Pruden III, 2021-08-02 This book details the life and activism of Gloria Steinem, using her life as a lens through which readers can examine the evolution of women's rights in the United States over the past half-century. This work traces the life and career of feminist activist Gloria Steinem, providing an examination of her life and her efforts to further equal opportunity among all people, especially women, in the United States from the second half of the 20th century to the present. It follows Steinem in a primarily chronological fashion to best convey the impact of her own efforts as well as the changing nature of women's status in American society during Steinem's half-century as an active reformer and public figure. The book notably includes her work with Ms. Magazine and details of her personal life. This book's wider coverage of Steinem's life, from her early childhood to the present, adds to previous works, which tend to stop with the end of the heyday of the women's movement and the rise of the Conservative movement in the early 1980s. With one of the defining aspects of Steinem's work being her lifelong commitment to women's rights and human equality, the treatment of her whole life helps readers understand the full extent of both her commitment and impact.

cher barbara walters interview: *Encyclopedia of Hair* Victoria Sherrow, 2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information. How we style our hair has the ability to shape the way others perceive us. For example, in 2017, the singer Macklemore denounced his hipster undercut hairstyle, a style that is associated with Hitler Youth and alt-right men, and in 2015, actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype. This volume examines how hair-or lack thereof-can be

an important symbol of gender, class, and culture around the world and through history. Hairstyles have come to represent cultural heritage and memory, and even political leanings, social beliefs, and identity. This second edition builds upon the original volume, updating all entries that have evolved over the last decade, such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss. New entries have been added that look at specific world regions, hair coverings, political symbolism behind certain styles, and other topics.
