

# Cincinnati Weather History By Month

**cincinnati weather history by month:** The Weather Almanac Steven L. Horstmeyer, 2011-09-23 The Weather Almanac, 12th Edition is a resource for a variety of climate and meteorological data including both domestic and international weather trends, historical weather patterns dating back 1000 years, natural disasters, and a 20 page glossary of weather terminology. The book is complete with detailed maps, pictures, and tables compiling climate data from a variety of sources, including the National Weather Service and the US Geological Survey. Separate sections in The Weather Almanac are devoted to tornadoes, hurricanes, thunderstorms, and lightening, flash floods, and winter storms, and they have been edited from official reports by governmental agencies. The new edition has been updated to include recent disasters such as the 2004 Indian Ocean Tsunami that devastated Indonesia as well as 2005's Hurricane Katrina. These chapters serve as a basic reference for severe weather and extreme conditions, which can assist in preparing for a weather emergency.

Claypool, 2014-10-17 The Encyclopedia of Northern Kentucky is the authoritative reference on the people, places, history, and rich heritage of the Northern Kentucky region. The encyclopedia defines an overlooked region of more than 450,000 residents and celebrates its contributions to agriculture, art, architecture, commerce, education, entertainment, literature, medicine, military, science, and sports. Often referred to as one of the points of the Golden Triangle because of its proximity to Lexington and Louisville, Northern Kentucky is made up of eleven counties along the Ohio River: Boone, Bracken, Campbell, Carroll, Gallatin, Grant, Kenton, Mason, Owen, Pendleton, and Robertson. With more than 2,000 entries, 170 images, and 13 maps, this encyclopedia will help readers appreciate the region's unique history and culture, as well as the role of Northern Kentucky in the larger history of the Commonwealth of Kentucky and the nation. • Describes the Golden Triangle of Kentucky, an economically prosperous area with high employment, investment, and job-creation rates • Contains entries on institutions of higher learning, including Northern Kentucky University, Thomas More College, and three community and technical colleges • Details the historic cities of Covington, Newport, Bellevue, Dayton, and Ludlow and their renaissance along the shore of the Ohio River • Illustrates the importance of the Cincinnati / Northern Kentucky International Airport as well as major corporations such as Ashland, Fidelity Investments, Omnicare, Toyota North America, and United States Playing Card
