**classy successful business woman: Intentioning** Gloria Feldt, 2021-09-28 Intentioning by best-selling author Gloria Feldt will help you envision the life and career you might have thought were impossible dreams, then give you the courage and actionable tools to achieve them. In the wake of the coronavirus pandemic and a pandemic of racial injustice that together shook our world to its core and revealed deep fault lines in our culture, Gloria Feldt, New York Times best-selling author, speaker, commentator, international leadership expert, successful CEO, and feminist icon, shows how we can seize the once-in-a-lifetime opportunity created by massive disruption to build back stronger with diverse women at the center of the recovery. In Intentioning: Sex, Power, Pandemics, and How Women Will Take The Lead for (Everyone's) Good, Feldt inspires diverse women to embrace their personal power to lead with intention, confidence, and joy. It comes as no surprise to her that women flexed their formidable muscles when needed most, representing a disproportionate number of essential workers during the darkest days of the coronavirus global outbreak and leading the charge against racism in the United States. But this book is decidedly

about the future, taking the leadership lessons learned from this disruption and creating a better world for all. Feldt not only unveils the next step in advancing gender parity in all spheres of business and life, but she also lays out the vital next steps in the overall advancement of our economy and our civilization. The “Lead Like a Woman” framework and the “9 Leadership Intentioning Tools” she presents in this book will prepare, motivate, and propel women of all diversities and intersectionalities now so that by 2025, women will have attained their fair and equal share of leadership positions across all sectors of industry and society. We simply cannot squander women’s talents when so much hangs in the balance. Women must be at the vanguard of reimagining and reconstructing a vibrant and sustainable future for us all.

**classy successful business woman: An Elegant Woman** Martha McPhee, 2020-06-02 For fans of Mary Beth Keane and Jennifer Egan, this powerful, moving multigenerational saga from National Book Award finalist Martha McPhee—ten years in the making—explores one family's story against the sweep of 20th century American history. Drawn from the author's own family history, *An Elegant Woman* is a story of discovery and reinvention, following four generations of women in one American family. As Isadora, a novelist, and two of her sisters sift through the artifacts of their forebears' lives, trying to decide what to salvage and what to toss, the narrative shifts to a winter day in 1910 at a train station in Ohio. Two girls wait in the winter cold with their mother—the mercurial Glenna Stewart—to depart for a new life in the West. As Glenna campaigns in Montana for women's suffrage and teaches in one-room schoolhouses, Tommy takes care of her little sister, Katherine: trapping animals, begging, keeping house, cooking, while Katherine goes to school. When Katherine graduates, Tommy makes a decision that will change the course of both of their lives. A profound meditation on memory, history, and legacy, *An Elegant Woman* follows one woman over the course of the 20th century, taking the reader from a drought-stricken farm in Montana to a yellow Victorian in Maine; from the halls of a psychiatric hospital in London to a wedding gown fitting at Bergdorf Goodman; from a house in small town Ohio to a family reunion at a sweltering New Jersey pig roast. Framed by Isadora's efforts to retell her grandmother's journey—and understand her own—the novel is an evocative exploration of the stories we tell ourselves, and what we leave out.

**classy successful business woman: Women Who Work** Ivanka Trump, 2017-05-02 NEW YORK TIMES BESTSELLER! Ivanka is donating the unpaid portion of her advance and all future royalties received from Women Who Work to the Ivanka M. Trump Charitable Fund, a donor advised fund that will make grants to organizations that empower and educate women and girls.\* This is a chatty step-by-step guide to living a happy life and getting ahead in a career. —USA Today The advice is spot-on for everyone, not just women. —Tony Hsieh, CEO of Zappos.com and author of Delivering Happiness I believe that when it comes to women and work, there isn't one right answer. The only person who can create a life you'll love is you. Our grandmothers fought for the right to work. Our mothers fought for the choice to be in an office or to stay at home. Our generation is the first to fully embrace and celebrate the fact that our lives are multidimensional. Thanks to the women who came before us and paved the way, we can create the lives we want to lead—which look different for each of us. I've been fortunate to be able to build my career around my passions, from real estate to fashion. But my professional titles only begin to describe who I am and what I value. I have been an executive and an entrepreneur, but also—and just as importantly—a wife, mother, daughter, and friend. To me, “work” encompasses my efforts to succeed in all of these areas. After appearing on The Apprentice years ago and receiving a flood of letters from young women asking for guidance, I realized the need for more female leaders to speak out publicly in order to change the way society thinks and talks about “women who work.” So I created a forum to do just that. This book evolves the conversation that started on IvankaTrump.com, where so many incredible women (and men!) have shared their experiences, advice, ambitions, and passions. Women who work lead meetings and train for marathons. We learn how to cook and how to code. We inspire our employees and our children. We innovate at our current jobs and start new businesses. Women Who Work will equip you with the best skills I've learned from some of the amazing people I've met, on subjects such as

identifying opportunities, shifting careers smoothly, negotiating, leading teams, starting companies, managing work and family, and helping change the system to make it better for women—now and in the future. I hope it will inspire you to redefine success and architect a life that honors your individual passions and priorities, in a way only you can. \* The Ivanka M. Trump Charitable Fund (the “Fund”) is a donor advised fund that supports the economic empowerment of women and girls. Ivanka Trump is the grant advisor to the Fund and sole member of IT WWW Pub, LLC (the “LLC”), which receives royalties from the publication of Women Who Work. The LLC will contribute a minimum \$425,000 to the Fund, which is the unpaid portion of the advance, net of expenses. In addition, the LLC will contribute all future royalties it receives that are in excess of the advance to the Fund during the period from May 1, 2017 to May 1, 2022.
