coming into language by jimmy santiago baca: *A Place to Stand* Jimmy Santiago Baca, 2007-12-01 The Pushcart Prize-winning poet's memoir of his criminal youth and years in prison: a "brave and heartbreaking" tale of triumph over brutal adversity (The Nation). Jimmy Santiago Baca's "astonishing narrative" of his life before, during, and immediately after the years he spent in the maximum-security prison garnered tremendous critical acclaim. An important chronicle that "affirms the triumph of the human spirit," it went on to win the prestigious 2001 International Prize (Arizona Daily Star). Long considered one of the best poets in America today, Baca was illiterate at the age of twenty-one when he was sentenced to five years in Florence State Prison for selling drugs in Arizona. This raw, unflinching memoir is the remarkable tale of how he emerged after his years in the penitentiary—much of it spent in isolation—with the ability to read and a passion for writing poetry. "Proof there is always hope in even the most desperate lives." —Fort Worth Star-Telegram "A hell of a book, quite literally. You won't soon forget it." —The San Diego U-T "This book will have a permanent place in American letters." —Jim Harrison, New York Times—bestselling author of *A Good Day to Die*

Jimmy Santiago Baca sends us on a journey with Sophia, an El Salvadorian mother facing a mountain of obstacles, carrying with her the burden of all that has come before: her husband's murder, a wrenching separation from her young son at the border, then rape

and abuse at the hands of ICE, yet persevering: "I keep walking/carrying you in my thoughts," she repeats, as she wills her boy to know she is on a quest to find him.

coming into language by jimmy santiago baca: *Prose and Cons* D. Quentin Miller, 2005-10-04 As the United States' prison population has exploded over the past 30 years, a rich, provocative and ever-increasing body of literature has emerged, written either by prisoners or by those who have come in close contact with them. Unlike earlier prison writings, contemporary literature moves in directions that are neither uniformly ideological nor uniformly political. It has become increasingly personal, and the obsessive subject is the way identity is shaped, compromised, altered, or obliterated by incarceration. The 14 essays in this work examine the last 30 years of prison literature from a wide variety of perspectives. The first four essays examine race and ethnicity, the social categories most evident in U.S. prisons. The three essays in the next section explore gender, a prominent subject of prison literature highlighted by the absolute separation of male and female inmates. Section three provides three essays focused on the part ideology plays in prison writings. The four essays in section four consider how aesthetics and language are used, seeking to define the qualities of the literature and to determine some of the reasons it exists.

coming into language by jimmy santiago baca: *Healing Earthquakes* Jimmy Santiago Baca, 2007-12-01 An award-winning collection of poems that vividly capture the astonishing emotional range of an entire romance from beginning to end. Jimmy Santiago Baca introduces us to a man and woman before they are acquainted and re-creates their first meeting, falling in love, their decision to make a family, the eventual realization of each other's irreconcilable faults, the resulting conflicts, the breakup and hostility, and, finally, their transcendence of the bitterness and resentment. Throughout the relationship we are privy to the couple's anguish of loneliness, the heady rush of new love, the irritations and joys of raising children, the difficulties in truly knowing someone, the doldrums of breakup, and so on. It is impossible not to identify with these characters and to recognize the universal drama of human connection. As he weaves this story, Baca explores many of his traditional themes: the beauty and cruelty of the desert lands where he spent much of his life, the grace and wisdom of animals, and the quiet dignity of life on small Chicano farms. An extraordinary work that "expresses both bliss and heartache with lyric intensity" from one of America's finest poets (Booklist). "Baca is a force in American poetry . . . His words heal, inspire, and elicit the earthly response of love." —Garrett Hongo "[Baca] writes with unconcealed passion . . . what makes his writing so exciting to me is the way in which it manifests both an intense lyricism and that transformative vision which perceives the mythic and archetypal significance of life-events." —Denise Levertov

Through story upon story, Christensen demonstrates how she draws on students' lives and the world to teach poetry, essay, narrative, and critical literacy skills. Teaching for Joy and Justice reveals what happens when a teacher treats all students as intellectuals, instead of intellectually challenged. Part autobiography, part curriculum guide, part critique of today's numbing standardized mandates, this book sings with hope -- born of Christensen's more than 30 years as a classroom teacher, language arts specialist, and teacher educator. Practical, inspirational, passionate: this is a must-have book for every language arts teacher, whether veteran or novice. In fact, Teaching for Joy and Justice is a must-have book for anyone who wants concrete examples of what it really means to teach for social justice.

coming into language by jimmy santiago baca: *An Incomplete List of Names* Michael Torres, 2020-10-06 An astonishing debut collection looking back on a community of Mexican American boys as they grapple with assimilation versus the impulse to create a world of their own. Who do we belong to? This is the question Michael Torres ponders as he explores the roles that names, hometown, language, and others' perceptions each play on our understanding of ourselves in *An Incomplete List of Names*. More than a boyhood ballad or a coming-of-age story, this collection illuminates the artist's struggle to make sense of the disparate identities others have forced upon him. His description of his childhood is both idyllic and nightmarish, sometimes veering between the two extremes, sometimes a surreal combination of both at once. He calls himself "the Pachuco's grandson" or REMEK or Michael, depending on the context, and others follow his lead. He worries about losing his identification card, lest someone mistake his brown skin for evidence of a crime he never committed. He wonders what his students—imprisoned men who remind him of his high school friends and his own brother—make of him. He wonders how often his neighbors think about where he came from, if they ever do imagine where he came from. When Torres returns to his hometown to find the layers of spray-painted evidence he and his boyhood friends left behind to prove their existence have been washed away by well-meaning municipal workers, he wonders how to collect a list of names that could match the eloquent truths those bubbled letters once secured.

coming into language by jimmy santiago baca: *The Language of Life* Bill Moyers, 1996-03-01 Poets live the lives all of us live, says Bill Moyers, with one big difference. They have the power--the power of the word--to create a world of thoughts and emotions other can share. We only have to learn to listen. In a series of fascinating conversations with thirty-four American poets, *The Language Of Life* celebrates language in its most exalted, wrenching, delighted, and concentrated form, and its unique power to re-create the human experience: falling in love, facing death, leaving home, playing basketball, losing faith, finding God. Listening to Linda McCarriston's award-winning poems about a child trapped in a violent home, or to Jimmy Santiago Baca explaining how words changed his life in prison, or to David Mura describing his Japanese American grandfather's experience in relocation camps, or to Sekou Sundiata stitching the magic of his childhood church in Harlem to the African tradition of storytelling, or to Gary Snyder invoking the natural wonder of mountains and rivers, or to Adrienne Rich calling for honesty in human relations, all testify to the necessity and clarity of the poet's voice, and all give hope that from such a wide variety of racial, ethnic, and religious threads we might yet weave a new American fabric. 'Listen,' said the storytellers of old, 'listen and you shall hear,' explains Bill Moyers. *The Language Of Life* is a joyous, life-affirming invitation to listen, learn, and experience the exhilarating power of the spoken word.

coming into language by jimmy santiago baca: *Martín & Meditations on the South Valley* Jimmy Santiago Baca, Denise Levertov, 1987 Fiercely moving, the two long narrative poems of *Martín & Meditations on the South Valley* revolve around the semi-autobiographical figure of Martín, a mestizo or detribalized Apache. Abandoned as a child and a long time on the hard path to building his own family, Martín at last finds his home in the stubborn and beautiful world of the barrio. Jimmy Santiago Baca writes with unconcealed passion, Denise Levertov states in her introduction, but he is far from being a naive realist; what makes his writing so exciting to me is the way in which it manifests both an intense lyricism and that transformative vision which perceives the mythic and archetypal significance of life-events.

coming into language by jimmy santiago baca: *Loser* Jerry Spinelli, 2009-10-13 From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like Jabip. Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become hero. With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

coming into language by jimmy santiago baca: *S O S* Amiri Baraka, 2015-03-03 "*S O S* provides readers with rich, vital views of the African American experience and of Baraka's own evolution as a poet-activist" (The Washington Post). Fusing the personal and the political in high-voltage verse, Amiri Baraka whose long illumination of the black experience in America was called incandescent in some quarters and incendiary in others was one of the preeminent literary innovators of the past century (The New York Times). Selected by Paul Vangelisti, this volume comprises the fullest spectrum of Baraka's rousing, revolutionary poems, from his first collection to previously unpublished pieces composed during his final years. Throughout Baraka's career as a prolific writer (also published as LeRoi Jones), he was vehemently outspoken against oppression of African American citizens, and he radically altered the discourse surrounding racial inequality. The environments and social values that inspired his poetics changed during the course of his life, a trajectory that can be traced in this retrospective spanning more than five decades of profoundly evolving subjects and techniques. Praised for its lyricism and introspection, his early poetry emerged from the Beat generation, while his later writing is marked by intensely rebellious fervor and subversive ideology. All along, his primary focus was on how to live and love in the present moment despite the enduring difficulties of human history. A New York Times Editors' Choice "A big handsome book of Amiri Baraka's poetry [that gives] us word magic, wit, wild thoughts, discomfort, and pleasure." —William J. Harris, Boston Review "The most complete representation of over a half-century of revolutionary and breathtaking work." —Claudia Rankine, The New York Times Book Review

Claudia Rankine’s book-length poem about rising racial tensions in America, *Citizen: An American Lyric*, won numerous prizes, including the The National Book Critic’s Circle Award. Her new collection of poems—intrepid, obsessive, and erotic—tell the story of a woman’s attempt to reconcile herself to her own despair. Drawing on voices from Jane Eyre to Lady MacBeth, Rankine welds the cerebral and the spiritual, the sensual and the grotesque. Whether writing about intimacy or alienation, what remains long after is her singular voice—its beguiling cadence and vivid physicality. There is an unprotected quality to this writing, as if each word has been pushed out along the precipice, daring us to go with it. Rankine’s power lies in the intoxicating pull of that dare. From one of contemporary poetry’s most powerful and provocative authors, *The End of the Alphabet* is a work where “wits at once keen and tenacious match themselves against grief’s genius” (Boston Review).

coming into language by jimmy santiago baca: Trejo Danny Trejo, 2021-07-06 And you'd never guess that the baddest of the bad-me-would make it out of the prison system and instead of dying in the street as a stone-cold junkie and killer, I'd end up being shot, stabbed, decapitated, blown up, hanged, flattened by an elevator, and disintegrated into a pool table until my eyeballs rolled into the pockets . . . On screen, Danny Trejo is the most recognisable anti-hero in Hollywood - killed at least a hundred times, he steals every scene he's in. But off screen, he is so much more. The ultimate hard-knock-lifer, and a true man of the world, he has all the stories, and all the scars. Raised in an abusive home, Danny struggled from an early age with heroin addiction and doing time in some of the country's most notorious state prisons, including Folsom and San Quentin - where he met Charles Manson - before starring in such modern classics as Heat, From Dusk Till Dawn, and Machete. Now, Danny takes us over the peaks and through the valleys of his life, including meeting one of the world's most infamous serial killers and working with icons like Charles Bronson and Robert De Niro. In raw detail, Danny recounts how he managed the horrors of incarceration, rebuilt his life, and drew inspiration from the adrenaline-fueled robbing heists of his past for the film roles that forged his legend. Redemptive, poignant, and raw, Trejo is a portrait of a magnificent life and an unforgettable journey through tragedy, pain, and, finally, success. Told with cowboy appeal, gritty rebel wisdom, and total honesty, these are outlaw stories from the frontiers: the frontiers of prison, of Hollywood, and of life
