

[Dallas Cowboys Uniforms History](#)

dallas cowboys uniforms history: The Texanist David Courtney, Jack Unruh, 2017-04-25 A collection of Courtney's columns from the Texas Monthly, curing the curious, exorcizing bedevilment, and orienting the disoriented, advising on such things as: Is it wrong to wear your football team's jersey to church? When out at a dancehall, do you need to stick with the one that brung ya? Is it real Tex-Mex if it's served with a side of black beans? Can one have too many Texas-themed tattoos?--Amazon.com.

dallas cowboys uniforms history: America's Game Michael MacCambridge, 2008-11-26 It's difficult to imagine today—when the Super Bowl has virtually become a national holiday and the National Football League is the country's dominant sports entity—but pro football was once a ramshackle afterthought on the margins of the American sports landscape. In the span of a single generation in postwar America, the game charted an extraordinary rise in popularity, becoming a smartly managed, keenly marketed sports entertainment colossus whose action is ideally suited to television and whose sensibilities perfectly fit the modern age. America's Game traces pro football's grand transformation, from the World War II years, when the NFL was fighting for its very existence, to the turbulent 1980s and 1990s, when labor disputes and off-field scandals shook the game to its core, and up to the sport's present-day preeminence. A thoroughly entertaining account of the entire universe of professional football, from locker room to boardroom, from playing field to press box, this is an essential book for any fan of America's favorite sport.

dallas cowboys uniforms history: The Dallas Cowboys Joe Nick Patoski, 2012-10-09 The definitive, must-have account of the all-time players, coaches, locker rooms and boardrooms that made the Dallas Cowboys America's Team. Since 1960, the Cowboys have never been just about football. From their ego-driven owner and high-profile players to their state-of-the-art stadium and iconic cheerleaders, the Cowboys have become a staple of both football and American culture since the beginning. For over 50 years, wherever the Cowboys play, there are people in the stands in all their glory: thousands of jerseys, hats, and pennants, all declaring the love and loyalty to one of the most influential teams in NFL history. Now, with thrilling insider looks and sweeping reveals of the ever-lasting time, place, and culture of the team, Joe Nick Patoski takes readers - both fans and rivals alike - deep into the captivating world of the Cowboys.

dallas cowboys uniforms history: Dallas Cowboys Jaime Aron, 2010-08-08 Dallas Cowboys: The Complete Illustrated History presents all the legendary games, players, and teams in the history of this iconic franchise, exploring both on-the-field moments and off-the-field exploits of "America's Team." One of the most successful programs in pro sports history, the Cowboys have appeared in more Super Bowls than any other NFL franchise and boast a roster of players that reads like an all-time, all-star team—all highlighted here with lavish illustrations, player profiles, game and season recaps, and entertaining stories. This is the ultimate celebration of the silver and blue for fans of all ages.

dallas cowboys uniforms history: Cowboys Chronicles Marty Strasen, 2010-09-01 Commemorated to honor the 50th anniversary of the Dallas Cowboys—one of the most prominent and popular franchises in professional sports—Cowboys Chronicles presents the colorful history of America's Team. This lively retrospective features every game of every season, the unforgettable players, coaches, and Super Bowl teams, and even the world-famous Dallas Cowboys cheerleaders.

dallas cowboys uniforms history: Ten-Gallon War John Eisenberg, 2012-10-02 "It's every bit as fascinating to read about the battles between the Cowboys and the Texans as it is to follow today's never-ending NFL dramas." —Mike Florio, ProFootballTalk In the 1960s, on the heels of the "Greatest Game Ever Played," professional football began to flourish across the country—except in Texas, where college football was still the only game in town. But in an unlikely series of events, two

young oil tycoons started their own professional football franchises in Dallas the very same year: the NFL's Dallas Cowboys, and, as part of a new upstart league designed to thwart the NFL's hold on the game, the Dallas Texans of the AFL. Almost overnight, a bitter feud was born. The team owners, Lamar Hunt and Clint Murchison, became Mad Men of the gridiron, locked in a battle for the hearts and minds of the Texas pigskin faithful. Their teams took each other to court, fought over players, undermined each other's promotions, and rooted like hell for the other guys to fail. A true visionary, Hunt of the Texans focused on the fans, putting together a team of local legends and hiring attractive women to drive around town in red convertibles selling tickets. Meanwhile, Murchison and his Cowboys focused on the game, hiring a young star, Tom Landry, in what would be his first-ever year as a head coach, and concentrating on holding their own against the more established teams in the NFL. Ultimately, both teams won the battle, but only one got to stay in Dallas and go on to become one of sports' most quintessential franchises—"America's Team." In this highly entertaining narrative, rich in colorful characters and unforgettable stunts, Eisenberg recounts the story of the birth of pro-football in Dallas—back when the game began to be part of this country's DNA.

dallas cowboys uniforms history: *The Dallas Cowboys (America's Greatest Teams)* (Large Print 16pt) Sloan MacRae, 2011-05 With their astounding number of Super Bowl appearances and wins, the Dallas Cowboys have captured the hearts of football fans around the nation. Your readers will be thrilled with this gripping examination of a top-notch team....

dallas cowboys uniforms history: *The Dallas Cowboys* Joe Nick Patoski, 2012-10-09 The definitive, must-have account of the all-time players, coaches, locker rooms and boardrooms that made the Dallas Cowboys America's Team. Since 1960, the Cowboys have never been just about football. From their ego-driven owner and high-profile players to their state-of-the-art stadium and iconic cheerleaders, the Cowboys have become a staple of both football and American culture since the beginning. For over 50 years, wherever the Cowboys play, there are people in the stands in all their glory: thousands of jerseys, hats, and pennants, all declaring the love and loyalty to one of the most influential teams in NFL history. Now, with thrilling insider looks and sweeping reveals of the ever-lasting time, place, and culture of the team, Joe Nick Patoski takes readers - both fans and rivals alike - deep into the captivating world of the Cowboys.

dallas cowboys uniforms history: *Mets by the Numbers* Jon Springer, Matthew Silverman, 2008-03-17 Ordinary club histories proceed year by year to give the big picture. *Mets by the Numbers* uses jersey numbers to tell the little stories?the ones the fans love?of the team and its players. This is a catalog of the more than 700 Mets who have played since 1962, but it is far from just a list of No. 18s and 41s. *Mets by the Numbers* celebrates the team's greatest players, critiques numbers that have failed to attract talent, and singles out particularly productive numbers, and numbers that had really big nights. With coverage of superstitions, prolific jersey-wearers, the ever-changing Mets uniform, and significant Mets numbers not associated with uniforms, this book is a fascinating alternative history of the Amazin's.

dallas cowboys uniforms history: *Cult of Glory* Doug J. Swanson, 2021-06-08 "Swanson has done a crucial public service by exposing the barbarous side of the Rangers." —The New York Times Book Review A twenty-first century reckoning with the legendary Texas Rangers that does justice to their heroic moments while also documenting atrocities, brutality, oppression, and corruption The Texas Rangers came to life in 1823, when Texas was still part of Mexico. Nearly 200 years later, the Rangers are still going—one of the most famous of all law enforcement agencies. In *Cult of Glory*, Doug J. Swanson has written a sweeping account of the Rangers that chronicles their epic, daring escapades while showing how the white and propertied power structures of Texas used them as enforcers, protectors and officially sanctioned killers. *Cult of Glory* begins with the Rangers' emergence as conquerors of the wild and violent Texas frontier. They fought the fierce Comanches, chased outlaws, and served in the U.S. Army during the Mexican War. As Texas developed, the Rangers were called upon to catch rustlers, tame oil boomtowns, and patrol the perilous Texas-Mexico border. In the 1930s they began their transformation into a professionally trained

police force. Countless movies, television shows, and pulp novels have celebrated the Rangers as Wild West supermen. In many cases, they deserve their plaudits. But often the truth has been obliterated. Swanson demonstrates how the Rangers and their supporters have operated a propaganda machine that turned agency disasters and misdeeds into fables of triumph, transformed murderous rampages—including the killing of scores of Mexican civilians—into valorous feats, and elevated scoundrels to sainthood. *Cult of Glory* sets the record straight. Beginning with the Texas Indian wars, *Cult of Glory* embraces the great, majestic arc of Lone Star history. It tells of border battles, range disputes, gunslingers, massacres, slavery, political intrigue, race riots, labor strife, and the dangerous lure of celebrity. And it reveals how legends of the American West—the real and the false—are truly made.

dallas cowboys uniforms history: *I Know I Am, But What Are You?* Samantha Bee, 2011-02-08 Candid, outspoken, laugh-out-loud funny essays from the much-loved Samantha Bee, the Most Senior Correspondent on *The Daily Show* with Jon Stewart. Critics have called her “sweet, adorable, and vicious.” But there is so much more to be said about Samantha Bee. For one, she’s Canadian. Whatever that means. And now, she opens up for the very first time about her checkered Canadian past. With charming candor, she admits to her Lennie from *Of Mice and Men*-style love of baby animals, her teenage crime spree as one-half of a car-thieving couple (Bonnie and Clyde in Bermuda shorts and braces), and the fact that strangers seem compelled to show her their genitals. She also details her intriguing career history, which includes stints working in a frame store, at a penis clinic, and as a Japanese anime character in a touring children’s show. Samantha delves into all these topics and many more in this thoroughly hilarious, unabashedly frank collection of personal essays. Whether detailing the creepiness that ensues when strangers assume that your mom is your lesbian lover, or recalling her girlhood crush on Jesus (who looked like Kris Kristofferson and sang like Kenny Loggins), Samantha turns the spotlight on her own imperfect yet highly entertaining life as relentlessly as she skewers hapless interview subjects on *The Daily Show*. She shares her unique point of view on a variety of subjects as wide ranging as her deep affinity for old people, to her hatred of hot ham. It’s all here, in irresistible prose that will leave you in stitches and eager for more.

dallas cowboys uniforms history: *Blackout* Sarah Hepola, 2015-06-23 In this unflinchingly honest and hilarious memoir, a woman discovers that her best life is a sober one. For Sarah Hepola, drinking felt like freedom; part of her birthright as a twenty-first-century woman. But there was a price—she often blacked out, having no memory of the lost hours. On the outside, her career was flourishing, but inside, her spirit was diminishing. She could no longer avoid the truth—she needed help. *Blackout* is the story of a woman stumbling into a new kind of adventure—sobriety. Sarah Hepola's tale will resonate with anyone who has had to face the reality of addiction and the struggle to put down the bottle. At first it seemed like a sacrifice—but in the end, it was all worth it to get her life back.

dallas cowboys uniforms history: *Football for a Buck* Jeff Pearlman, 2018 From a multiple New York Times bestselling author, the rollicking, outrageous, you-can't-make-this-up story of the USFL The United States Football League--known fondly to millions of sports fans as the USFL--was the last football league to not merely challenge the NFL, but cause its owners and executives to collectively shudder. It spanned three seasons, 1983-85. It secured multiple television deals. It drew millions of fans and launched the careers of legends. But then it died beneath the weight of a particularly egotistical and bombastic owner--a New York businessman named Donald J. Trump. The league featured as many as 18 teams, and included such superstars as Steve Young, Jim Kelly, Herschel Walker, Reggie White, Doug Flutie and Mike Rozier. In *Football for a Buck*, the dogged reporter and biographer Jeff Pearlman draws on more than four hundred interviews to unearth all the salty, untold stories of one of the craziest sports entities to have ever captivated America. From 1980s drug excess to airplane brawls and player-coach punch outs, to backroom business deals, to some of the most enthralling and revolutionary football ever seen, Pearlman transports readers back in time to this crazy, boozy, audacious, unforgettable era of the game. He shows how fortunes were

made and lost on the backs of professional athletes and also how, thirty years ago, Trump was a scoundrel and a spoiler. For fans of Terry Pluto's *Loose Balls* or Jim Bouton's *Ball Four* and of course Pearlman's own stranger-than-fiction narratives, *Football for a Buck* is sports as high entertainment--and a cautionary tale of the dangers of ego and excess.

dallas cowboys uniforms history: Wrigley Field Year by Year Sam Pathy, 2019-05-07 More than just a lavishly illustrated and highly readable book, *Wrigley Field Year by Year*, originally published in 2014 and updated through the 2018 season, is the result of a quarter century of meticulous research. Written by a baseball historian and recognized authority on the "Friendly Confines," this is the first book to detail each year of the storied park's existence. The book covers not only the Chicago Cubs and the Chicago Federal League baseball teams in detail, it touches on the Chicago Bears football team, basketball, hockey, high school sports, track and field, and political rallies. It references activities and changes throughout the park and in its neighborhood on Chicago's North Side. In addition to pertinent Cubs statistics, the author's year-by-year coverage includes: A "game of the year" A description of unusual and interesting happenings in the ballpark A quote from the year that best captures its essence Supplementing the year-by-year approach are nine chapters that divide Wrigley Field's rich history into nine "innings" along with informative appendixes that will delight every Cubs fan, from the casual to the obsessed. The book's easy-to-use format and wealth of information make it a resource that readers will turn to again and again.

dallas cowboys uniforms history: Tales from the Dallas Cowboys Cliff Harris, Charlie Waters, 2003 Harris and Waters share anecdotes about their experiences as Dallas Cowboys during the teams heyday, when they appeared in 5 Superbowls.

dallas cowboys uniforms history: Fabric of the Game Chris Creamer, Todd Radom, 2020-11-03 An in-depth look into the origins of how each NHL team was named, received their logo and design, with interviews by those responsible. Written by those most knowledgeable, you'll learn why every hockey team to every play in the National Hockey League looks the way it does. Nothing unites or divides a random assortment of strangers quite like the hockey team for which they cheer. The passion they hold within them for the New York Rangers, Toronto Maple Leafs, Montreal Canadiens, or Boston Bruins allows them to look past any differences which would have otherwise disrupted a perfectly fine Thanksgiving dinner and channels it into a powerful, shared admiration for their team. We decorate our lives with their logos, stock our wardrobe with their jerseys, and, in some cases, even tattoo our bodies with their iconography and colors. They're so ingrained in our lives we don't even think to ask ourselves why Los Angeles celebrates royalty; why Buffalo cheers for not one, but two massive cavalry swords; or why the Broadway Blueshirts named themselves for a law enforcement agency in Texas (or why they even wear blue shirts, for that matter). All that and more is explored in *Fabric of the Game*, authored by two of the sports world's leading experts in team branding and design: Chris Creamer and Todd Radom. Tapping into their vast knowledge of the whys and hows, Creamer and Radom explore and share the origin stories behind these and more, talking directly to those involved in the decision processes and designs of the National Hockey League's team names, logos, and uniforms, pouring through historical accounts to find and deliver the answers to these questions. Learn more about the storied Detroit Red Wings and Chicago Blackhawks, as well as the lost but not forgotten Hartford Whalers and Quebec Nordiques, all the way to the lesser-known Kansas City Scouts and Philadelphia Quakers. Whichever team you pledge allegiance, *Fabric of the Game* covers them in-depth with research and knowledge for any hockey fan to enjoy.

dallas cowboys uniforms history: The Ice Bowl Mike Shropshire, 2014-09-09 Some athletes never stop playing. Some rivalries transcend the gridiron. Some games last forever. The Green Bay Packers and Dallas Cowboys engaged in a fierce rivalry in the 1966 season, culminating in the Packers defeating the Cowboys to win the NFL championship. The next year, they clashed again, and the result is a game that only needs three words to evoke lasting images from every player, every coach, and every fan who witnessed it: "The Ice Bowl." The final game of the 1967 season has become one of the most storied contests in NFL history, and sportswriter Mike Shropshire, author of

SEASONS IN HELL, brings it all back to life in his panoramic look at the events leading up to the game and how the game influenced both franchises going forward. With photos and insight into the players who battled, as well as those who witnessed, THE ICE BOWL is a must-read for fans of every down.

dallas cowboys uniforms history: The Catcher Was a Spy Nicholas Dawidoff, 2011-11-02 NATIONAL BESTSELLER Now a major motion picture starring Paul Rudd “A delightful book that recounts one of the strangest episodes in the history of espionage. . . . Relentlessly entertaining.”—The New York Times Book Review Moe Berg is the only major-league baseball player whose baseball card is on display at the headquarters of the CIA. For Berg was much more than a third-string catcher who played on several major league teams between 1923 and 1939. Educated at Princeton and the Sorbonne, he as reputed to speak a dozen languages (although it was also said he couldn't hit in any of them) and went on to become an OSS spy in Europe during World War II. As Nicholas Dawidoff follows Berg from his claustrophobic childhood through his glamorous (though equivocal) careers in sports and espionage and into the long, nomadic years during which he lived on the hospitality of such scattered acquaintances as Joe DiMaggio and Albert Einstein, he succeeds not only in establishing where Berg went, but who he was beneath his layers of carefully constructed cover. As engrossing as a novel by John le Carré, *The Catcher Was a Spy* is a triumphant work of historical and psychological detection.

dallas cowboys uniforms history: Hail Mary Frankie de la Cretaz, Lyndsey D'Arcangelo, 2021-11-02 The groundbreaking story of the National Women's Football League, and the players whose spirit, rivalries, and tenacity changed the legacy of women's sports forever. In 1967, a Cleveland promoter recruited a group of women to compete as a traveling football troupe. It was conceived as a gimmick—in the vein of the Harlem Globetrotters—but the women who signed up really wanted to play. And they were determined to win. *Hail Mary* chronicles the highs and lows of the National Women's Football League, which took root in nineteen cities across the US over the course of two decades. Drawing on new interviews with former players from the Detroit Demons, the Toledo Troopers, the LA Dandelions, and more, *Hail Mary* brings us into the stadiums where they broke records, the small-town lesbian bars where they were recruited, and the backrooms where the league was formed, championed, and eventually shuttered. In an era of vibrant second wave feminism and Title IX activism, the athletes of the National Women's Football League were boisterous pioneers on and off the field: you'll be rooting for them from start to finish.

dallas cowboys uniforms history: Landry Bob St. John, 2001-09 A stirring tribute to sports legend Tom Landry by Dan Reeves, Mike Ditka and others. Photos from his career are included.

dallas cowboys uniforms history: The All-America Football Conference Kenneth R. Crippen, Matt Reaser, 2018-01-31 The All-America Football Conference and the National Football League battled for supremacy from 1946 through 1949. In the end, the players from the AAFC, as well as three teams, were brought into the NFL. Through extensive research, the Professional Football Researchers Association (PFRA) has corrected the statistics and coaching records, selected offensive and defensive All-Pro Teams for all four seasons and an All-Conference team, and provided brief biographies and scouting reports for the members of the All-Conference Team.

dallas cowboys uniforms history: A History of NFL Preseason and Exhibition Games Mark L. Ford, 2014-09-24 For fans of professional football who thought they had read everything about the history of the game, Mark L. Ford breaks new ground with this account of the NFL preseason. Described as “test labs” by Ford, the preseason games are a time for trying out new strategies, considering future rule changes, and implementing television coverage innovations. For thousands of players who vie for a spot in the league every summer, the preseason is also the defining moment where careers can be made or broken. *A History of NFL Preseason and Exhibition Games: 1960 to 1985* is one of two books by Ford on professional football's preseason. Along with its companion volume—which covers 1986 to 2013—this resource provides information on every NFL and AFL preseason game played since the AFL was launched in 1960. All the interesting events and people that were part of these summer battles are detailed, as well as the first outings for new teams, new

rules, and new stars. In addition, Ford includes amusing anecdotes and mishaps, such as a 1972 game that was lost because the players wore the wrong shoes. Throughout the book, Ford recounts key off-season developments that would transform professional football from a modest enterprise into a global monopoly with annual revenues and assets worth billions. *A History of NFL Preseason and Exhibition Games* is a unique and important reference for pro football fans and cultural historians alike.

dallas cowboys uniforms history: *Never Just a Game* Bob St. John, 2006-12-01 Throughout Tex Schramm's career with the Los Angeles Rams, television, the Dallas Cowboys and influence on the NFL, he had a knack for innovation and success by pulling out all the stops, conjuring, outsmarting, manipulating, wheeling-dealing, charming, and intimidating. By hiring exceptional people, especially Tom Landry, he built the Cowboys from one of the worse franchises to champions, America's Team. Even NFL executives that didn't particular care for him gave him credit for playing a major part in changes in the league, making it the game you see on the field today. He was very proud, drank, could be loud, profane, stubborn, have bursts of temper but also sensitive, very funny, and downright kind at times. And when the dust settled he could also laugh at himself. The parade passed in his declining years, but those who knew him, loved or even hated him won't forget him. People pass through life unnoticed, as if they weren't even here, but Tex was in the arena. He was certainly here.

dallas cowboys uniforms history: *100 Things Cowboys Fans Should Know & Do Before They Die* Ed Housewright, 2015-09 Featuring updated information through the 2014 season, including the Cowboys' win in the playoffs over Detroit Every good Dallas Cowboys fan can tell you about the highlights from the franchise's half century of existence—including five Super Bowl victories and 14 players inducted into the Pro Football Hall of Fame. But how many know all the stories behind the names, games, and traditions of one of the NFL's most popular teams? *100 Things Cowboys Fans Should Know & Do Before They Die* was created for everyone who cheers for pro football in Dallas. Both entertaining and enlightening, this must-have guide ranks and explains the essential information and can't-miss experiences every Cowboys fan needs. This book has it all: the star players—from Roger Staubach to Tony Romo; the larger-than-life coaches (Landry, Johnson, Switzer, and more); the biggest games, from the Ice Bowl to the eight Super Bowl appearances; even the landmarks, including the Cotton Bowl and the team's amazing new stadium. This edition has been updated with the 2008-2014 seasons, including the Cowboys' 12-4 2014 season.

dallas cowboys uniforms history: *Son of Bum* Wade Phillips, Vic Carucci, 2017-05-02 The Denver Broncos coach and Super Bowl champion recalls his life and lessons learned from his father, NFL coach Bum Phillips, in this football memoir. Decorated National Football League coach Wade Phillips demonstrates in loving detail how much of his success, on and off the field, he owes to his father. A beloved character in NFL history, Bum taught Wade how to have perspective on the game during tough times—and that “coaching isn’t bitching.” Wade has since passed these and other lessons down to his son, Wes Phillips, an NFL coach himself. Known for his homespun, plain-talking ways, Wade is a groundbreaking coach who has long believed in using support and camaraderie—instead of punishment and anger—to inspire his players. And though his defensive concepts are revolutionary, he would say they begin with common sense. *Son of Bum* is more than one man’s memoir—it’s a story of family and football and a father who inspired his son. “Having played for and against Wade Phillips, the first word that comes to my mind is respect. *SON OF BUM* is a great read about the Xs and Os from one of the greatest coaches in the league, as well as a loving tribute to the influence of family.”—Peyton Manning

dallas cowboys uniforms history: *Chill Factor* David Paitson, Craig Merz, 2015-03-03 The city of Columbus, Ohio, had always struggled to support any professional sports franchise. It’s a town where Ohio State University reigns supreme, and everything else is less important. That was until 1991, when the Columbus Chill, a minor-league hockey franchise, arrived. Using Veeckian marketing tactics and on-ice shenanigans, the Chill became the talk of the city and gained a religious local fan base. Based on the success of the Chill, from 1991–99, the city of Columbus was awarded

with the Columbus Blue Jackets in 2000, the city's own NHL franchise. *Chill Factor* follows the wild ride through the eyes of team president and general manager David Paitson, from the early formation of the minor-league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial. The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world-class arena and emerge from the shadow of OSU. There were setbacks and triumphs on and off the ice, and eventually the realization that the Columbus of today would not be possible without the aid of the Chill. *Chill Factor* takes readers into the front office and onto the rink, giving every angle of how a small town was able to get behind a working-class team that fought both on and off the ice. This thrilling account will appeal to those who remember the Chill's reign, as well as those who enjoy seeing the underdog climb the ladder to sports supremacy. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

dallas cowboys uniforms history: When Pride Still Mattered David Maraniss, 1999 By the time he died of cancer in 1970, after one season in Washington during which he transformed the Redskins into winners, Lombardi had become a mythic character who transcended sport, and his legend has only grown in the decades since. Many now turn to Lombardi in search of characteristics that they fear have been irretrievably lost, the old-fashioned virtues of discipline, obedience, loyalty, character, and teamwork. To others he symbolizes something less romantic: modern society's obsession with winning and superficial success. In *When Pride Still Mattered*, Maraniss renders Lombardi as flawed and driven yet ultimately misunderstood, a heroic figure who was more complex and authentic than the stereotypical images of him propounded by admirers and critics.

dallas cowboys uniforms history: Cattle Kingdom Christopher Knowlton, 2017-05-30 "The best all-around study of the American cowboy ever written. Every page crackles with keen analysis and vivid prose about the Old West. A must-read!" —Douglas Brinkley, *The New York Times*-bestselling author of *The Wilderness Warrior: Theodore Roosevelt and the Crusade for America* The open-range cattle era lasted barely a quarter century, but it left America irrevocably changed. *Cattle Kingdom* reveals how the West rose and fell, and how its legacy defines us today. The tale takes us from dust-choked cattle drives to the unlikely splendors of boomtowns like Abilene, Kansas, and Cheyenne, Wyoming. We meet a diverse cast, from cowboy Teddy Blue to failed rancher and future president Teddy Roosevelt. This is a revolutionary new appraisal of the Old West and the America it made. "Cattle Kingdom is the smartly told account of rampant capitalism making its home—however destructive and decidedly unromantic—on the range. . . . [A] fresh and winning perspective." —*The Dallas Morning News* "Knowlton writes well about all the fun stuff: trail drives, rambunctious cow towns, gunfights and range wars . . . [He] enlists all of these tropes in support of an intriguing thesis: that the romance of the Old West arose upon the swelling surface of a giant economic bubble . . . Cattle Kingdom is *The Great Plains* by way of *The Big Short*." —*Wall Street Journal* "Knowlton deftly balances close-ups and bird's-eye views. We learn countless details . . . More important, we learn why the story played out as it did." —*The New York Times Book Review* "The best one-volume history of the legendary era of the cowboy and cattle empires in thirty years." —*True West* "Vastly informative." —*Library Journal* "Absorbing." —*Publishers Weekly*

dallas cowboys uniforms history: Gang Green Gerald Eskenazi, 2010-05-11 Question: What is the only team dating back to the 1970 AFL-NFL merger that has yet to win a division title?

Question: What is the only team in the four major pro sports that has existed since the early 1960s and never had a coach leave with a winning career record for the team? Question: What is the only team in sports that plays its home games in a stadium named for another team? If you bleed green and white, you know the answer to these questions as well as you know the color of Joe Willie Namath's shoes. The New York Jets have a record for futility and self-sabotage that is unmatched in the history of professional sports. And nonetheless, they have been rewarded with a loyal following that has made Jets tickets as hard to come by as Jets winning seasons. For Jets fans, the bright beacon of promise has always turned into an onrushing train. They reveled in the joy of the Jets' epic victory in Super Bowl III, when their team beat the 18 1/2-point odds to defeat the Baltimore Colts, just as their cocky young quarterback had guaranteed; they then watched as contract squabbles broke up the core of the team, which would reach just one playoff game in the next twelve years. They cheered as their sleek, explosive team roared into the AFC Championship Game in January 1983; the team was held scoreless after overnight rains pelted the uncovered Orange Bowl field, turning the gridiron into a quagmire that favored the defense-oriented Dolphins. They dared to hope when the Jets went on an unprecedented spending spree in 1996, signing a Super Bowl quarterback and adding a host of fleet receivers and experienced linemen; they saw that team go 1-15, as Rich Kotite's Jets career coaching record sank to a jaw-dropping 4-28. In *Gang Green*, New York Times sportswriter Gerald Eskenazi details the bizarre history of this remarkable team. From the poor decisions (drafting Ken O'Brien instead of Dan Marino) and bad luck (Joe Namath's knees, Dennis Byrd's near-tragic neck injury) to the horrendous leadership (see Kotite, above) and outright strangeness (team practices held in an open area alongside the Belt Parkway, leRoy Neiman's presence as team artist-in-residence, the Richard Todd/Matt Robinson quarterback duel that wasn't) that have typified the Jets' mystifying approach to football, *Gang Green* captures the history of this most unusual franchise in a funny, rollicking, nostalgic tale. If you can name the Jet who is the only man in NFL history to run more than 90 yards on a play from scrimmage without scoring; if you remember the glory days of the New York Sack Exchange, when practice was often disrupted by the distracting presence of Mark Gastineau's inamorata, Brigitte Nielsen; if you can still hum the fight song coach Lou Holtz made the team sing after victories -- not that there were enough for them to memorize the lyrics; or if you know which Jets coach told which Jets punter that his flatulence traveled farther than the punter's kicks -- then *Gang Green* is the book for you.

dallas cowboys uniforms history: Sports Law in the United States Matthew J. Mitten, 2017-06-20 Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of sports law in the United States deals with the regulation of sports activity by both public authorities and private sports organizations. The growing internationalization of sports inevitably increases the weight of global regulation, yet each country maintains its own distinct regime of sports law and its own national and local sports organizations. Sports law at a national or organizational level thus gains a growing relevance in comparative law. The book describes and discusses both state-created rules and autonomous self-regulation regarding the variety of economic, social, commercial, cultural, and political aspects of sports activities. Self-regulation manifests itself in the form of by-laws, and encompasses organizational provisions, disciplinary rules, and rules of play. However, the trend towards more professionalism in sports and the growing economic, social and cultural relevance of sports have prompted an increasing reliance on legal rules adopted by public authorities. This form of regulation appears in a variety of legal areas, including criminal law, labour law, commercial law, tax law, competition law, and tort law, and may vary following a particular type or sector of sport. It is in this dual and overlapping context that such much-publicized aspects as doping, sponsoring and media, and responsibility for injuries are legally measured. This monograph fills a gap in the legal literature by giving academics, practitioners, sports organizations, and policy makers access to sports law at this specific level. Lawyers representing parties with interests in the United States will welcome this very useful guide, and academics and researchers will appreciate its value in the study of comparative sports law.

dallas cowboys uniforms history: The Unforgettable Buzz Earl Shores, Roddy Garcia,

Michael Kronenberg, 2013-06 The Unforgettable Buzz is a thoroughly researched and cleverly written study of electric football. Every Baby Boomer who played the game - and that's all of us - will love this book. - Ray Didinger, Pro Football Hall of Fame Sportswriter and NFL Films Emmy Award Winning Writer and Producer This is such a great book. It immediately took me back to those special moments of my childhood. Shores and Garcia have done their homework in opening a sacred portal to the past. - Rick Burton, David B. Falk Professor of Sport Management, Syracuse University The Unforgettable Buzz is the first and only book ever written on the topic of Electric Football. Yet it's about much more than just a game. It's about receiving the best Christmas gift ever - that's what Electric Football means to millions of Baby Boomers who grew up between 1950 and 1980. Authors Earl Shores and Roddy Garcia have spent over a decade carefully weaving the timelines of Electric Football, Baby Boomer culture, and the NFL into perhaps the most complete toy story ever written. With over 300 images and a stunning cover-to-cover design by Marvel Graphic Artist Michael Kronenberg, Christmas morning is always just a page-turn away in The Unforgettable Buzz.

dallas cowboys uniforms history: *The Dallas Cowboys -- Free Preview* Joe Nick Patoski, 2012-08-15 The definitive, must-have account of the all-time players, coaches, locker rooms and boardrooms that made the Dallas Cowboys America's Team. Since 1960, the Cowboys have never been just about football. From their ego-driven owner and high-profile players to their state-of-the-art stadium and iconic cheerleaders, the Cowboys have become a staple of both football and American culture since the beginning. For over 50 years, wherever the Cowboys play, there are people in the stands in all their glory: thousands of jerseys, hats, and pennants, all declaring the love and loyalty to one of the most influential teams in NFL history. Now, with thrilling insider looks and sweeping reveals of the ever-lasting time, place, and culture of the team, Joe Nick Patoski takes readers - both fans and rivals alike - deep into the captivating world of the Cowboys.

dallas cowboys uniforms history: *Watch My Smoke* Eric Dickerson, Greg Hanlon, 2022-01-18 His style was iconic, and vintage '80s: aviator goggles, Jheri curls, neck roll, boxy pads. Eric Dickerson is the greatest player in Los Angeles Rams history and the NFL's single season record holder for most rushing yards. In 2019, Dickerson was named to the National Football League's 100th Anniversary All-Time Team. With an elegant upright running style that produced some of football's most-watched highlights, it was said he was so smooth you couldn't hear his pads clack as he glided past you. But during his Hall of Fame career, his greatness was often overshadowed by his contentious disputes with Rams management about his contract. In the pre-free agency era, tensions over his exploitative contract often overshadowed his accomplishments. What's his problem? went the familiar refrain from the media. Can't he just shut up and run? It's time to reexamine how Eric Dickerson was portrayed. For the first time, he's telling his story. And he's not holding anything back.

dallas cowboys uniforms history: International Football Kits (True Colours) John Devlin, 2018-05-17 International Football Kits (True Colours) charts the evolving football strip design of the world's leading national football teams, from 1966 to the present day. Guaranteed to bring back memories of your favourite team's kits and help you discover new ones, this ground-breaking book features strips that made it to the greatest stage in football - the FIFA World Cup - as well as rare designs that were never worn. John Devlin, the authority on football kits, analyses and evaluates the home, away and third kit designs of the top football-playing nations, detailing when the strip was worn, who wore it and the important matches in which it featured. This carefully curated collection features more than 1,300 never-before-published artworks, and describes the changing styles, varied manufacturers and remarkable controversies of international football fashion over the last 50 years.

dallas cowboys uniforms history: *Kansas City Chiefs Encyclopedia* Mark Stallard, 2013-08-01 Texas oil millionaire Lamar Hunt's pursuit of a professional football franchise led to the formation of a new league and ultimately a revolutionary change in the pro game itself. Hunt's new team, the Dallas Texans, began play in the American Football league in 1960, and following the 1962 season, moved to Kansas City. They were renamed the Chiefs, and one of football's great success stories was established. This chronicle of the history of the Kansas City Chiefs franchise covers everything—its

beginning in Dallas with head coach Hank Stram, the great 1962 AFL championship game, the move to Kansas City, the AFL's merger with the NFL, the team's disappointing loss to the Green Bay Packers in Super Bowl I, the magnificent victory over the Minnesota Vikings in Super Bowl IV, the down-and-out years, and the return to the playoffs under Dick Vermeil. All historical moments, players, games, and coaches are included. This newly revised encyclopedia offers statistics and biographies for each and every player that has been part of the Kansas City Chiefs. Included within is a foreword by former player Otis Taylor. The Kansas City Chiefs Encyclopedia includes hundreds of photos of players, game action, stadiums, and more. The complete reference book on the Chiefs, the encyclopedia is a book that all true Kansas City fans must have.

dallas cowboys uniforms history: It's Not about the Pom-poms Laura Vikmanis, Amy Sohn, 2012 When Vikmanis, a 40-year old single mom in Ohio, told friends that she wanted to be an NFL cheerleader, they said it would never happen. But she proved them all wrong.

dallas cowboys uniforms history: Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia Steven A. Riess, 2015-03-26 A unique new reference work, this encyclopedia presents a social, cultural, and economic history of American sports from hunting, bowling, and skating in the sixteenth century to televised professional sports and the X Games today. Nearly 400 articles examine historical and cultural aspects of leagues, teams, institutions, major competitions, the media and other related industries, as well as legal and social issues, economic factors, ethnic and racial participation, and the growth of institutions and venues. Also included are biographical entries on notable individuals—not just outstanding athletes, but owners and promoters, journalists and broadcasters, and innovators of other kinds—along with in-depth entries on the history of major and minor sports from air racing and archery to wrestling and yachting. A detailed chronology, master bibliography, and directory of institutions, organizations, and governing bodies—plus more than 100 vintage and contemporary photographs—round out the coverage.

dallas cowboys uniforms history: A Game of Inches Peter Morris, 2006-03-23 A fascinating and charming encyclopedic collection of baseball firsts, describing how the innovations in the game—in rules, equipment, styles of play, strategies, etc.—occurred and developed from its origins to the present day. The book relies heavily on quotations from contemporary sources.

dallas cowboys uniforms history: Barbarians, Gentlemen and Players Eric Dunning, Kenneth Sheard, 2005 This revised edition of a classic text explores the development of rugby from a folk game into its modern forms. Updated with a substantial new foreword and epilogue.

dallas cowboys uniforms history: The Original Six Lew Freedman, 2016-10-04 Since the inception of the National Hockey League on November 26, 1917, the sport of hockey has been one of the most popular games across the globe. After the National Hockey Association (NHA), which had been founded in 1909, ceased operations, the NHL took over and became a mainstay for the sport. While there had been teams that dated back to the 1800s and many that came and went through the years, there are six teams which are considered to be the Original or Traditional Six: the Montreal Canadiens, Boston Bruins, New York Rangers, Chicago Blackhawks, Toronto Maple Leafs, and Detroit Red Wings. In *The Original Six*, Lew Freedman (*Clouds Over the Goalpost*, *A Summer to Remember*) takes readers on a trip down memory lane, not only introducing the NHL's humble beginnings, but how far the game has actually come. Broken up into six sections, Freedman tells the history and stories of the teams that represent the heart and soul of the NHL. From how these teams came to be and the steps that were taken to get them established to their early years and how they helped shape the game we love today, *The Original Six* is not only for lover's of these teams, but for the sport itself. Whether you're a diehard supporter or fair-weather fan, learn how this incredible sport began and of the teams that helped it grow into one of the most entertaining and enjoyable games in the world. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a

die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Dallas Cowboys Uniforms History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Dallas Cowboys Uniforms History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Dallas Cowboys Uniforms History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Dallas Cowboys Uniforms History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
