How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth—and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

dave ramsey master financial coach: The Financial Wisdom of Ebenezer Scrooge Ted Klontz, Rick Kahler, Brad Klontz, 2021-11-09 The Money Book That's Making a Buzz ... The Today Show, Naomi Judd's New Morning, Dr. Laura, NPR, The Wall St. Journal The Money Book That's Making a Buzz ... The Today Show, Naomi Judd's New Morning, Dr. Laura, NPR, The Wall St. Journal The process changed the way I look at everything—my own life, my relationships with others, and my understanding of the world. That is how Wynonna Judd described her work with coauthors Ted and Brad Klontz, using the principles outlined in The Financial Wisdom of Ebenezer Scrooge. As the United States braces for an economic crash, the time-tested Financial Wisdom of Ebenezer Scrooge will help anyone stand on solid financial footing, securing prosperity for themselves and a healthy financial legacy for their family. Almost universally—regardless of income bracket or upbringing—people suffer from the same money affliction, and the real problem isn't money at all. The real problem—and the one that is overlooked in financial planning seminars and glossed over in other wealth-building books—is the relationship people have with their money. For the first time in paperback comes the breakthrough method from noted psychologists Ted and Brad Klontz and financial planner Rick Kahler, which The Wall Street Journal hailed as innovative, combining experiential therapy with nuts-and-bolts financial planning. Their proven method, which was publicized in the American Psychological Association magazine, helps people recognize their dysfunctional mind-sets about money. Mind-sets like It's not nice to talk about money, I'll never have enough money to be secure, I deserve to spend money, and If you are good, the universe will give you what you need. By culling timeless truths from the classic Dickens's tale and combining them with sound financial and psychological principles, the authors give anyone the tools they need to transform their relationship with money and break through their barriers to wealth and financial freedom.

dave ramsey master financial coach: *You Are a Badass at Making Money* Jen Sincero, 2018-04-03 "A cheerful manifesto on removing obstacles between yourself and the income of your dreams." —New York Magazine From the #1 New York Times bestselling author of *You Are a Badass®*, a life-changing guide to making the kind of money you've only ever dreamed of. *You Are a Badass at Making Money* will launch you past the fears and stumbling blocks that have kept financial success beyond your reach. woman living in a converted garage with tumbleweeds blowing through her bank account to a woman who travels the world in style, Jen Sincero channels the inimitable sass and practicality that made *You Are a Badass* an indomitable bestseller. She combines hilarious personal essays with bite-size, aha concepts that unlock earning potential and get real results. Learn to: • Uncover what's holding you back from making money • Give your doubts, fears, and excuses the heave-ho • Relate to money in a new (and lucrative) way • Shake up the cocktail of creation • Tap into your natural ability to grow rich • Shape your reality—stop playing victim to circumstance • Get as wealthy as you wanna be “This book truly crystallizes the concept that financial abundance is an inside job—in that it all begins with your mindset—and Sincero gets serious (in the funniest ways possible) about helping you identify your particular limiting beliefs surrounding money.” —PopSugar

dave ramsey master financial coach: *Everyday Millionaires* Chris Hogan, 2019 Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. dave ramsey master financial coach: *Get WalletWise* Ken Remsen, 2021-08 Many personal financial self-help books available today discuss money management basics, but remarkably, the current genre of self-help financial books, overlook predatory financial products, scams and rip-offs that victimize millions of Americans. *Get WalletWise* instructs the reader how to avoid financial missteps and provide clear money management examples. In addition, my book offers methods to create positive money habits. Every day, millions of Americans struggle to make ends meet because they are providing for their raising kids, caring for elderly parents while saving for their kids' college education and retirement. These families may host adult children living back at home. Families function with little understanding of how to manage their money. Our national school system does not teach financial literacy. The completed manuscript of *Get WalletWise* encourages a generation of families sandwiched between raising children and caring for aging parents. *Get WalletWise* helps families whose income and expenses are equal, do not have significant savings, and whose budget is a mess. Bloomberg reports that 50% of Americans have 0 net worth despite living in the most affluent nation in the world. CNBC reports that 40% of Americans cannot cover a \$400 emergency expense. According to Forbes, 43% of student loan borrowers are in default and owe, on average, more than \$16,000. Ironically, only 42% of college students graduate on time. One-third of American adults have saved \$0 for retirement. *Get WalletWise* teaches readers how to repair their personal finances through tried-and-true money management methods. *Get WalletWise* releases readers from the habit of keeping up with the Jones's and teaches them how to stop borrowing against their home equity. Readers find alternatives to using pay day loan businesses, pawnshops and other predatory lenders that other self-help finance books don't talk about.
