

Dayton Ohio Mayor Political Party

dayton ohio mayor political party: The High Profile Black Republican Candidacies of Lieutenant Governor Michael Steele, Secretary of State Kenneth Blackwell and Hall of Famer Lynn Swann James White, 2019-05-31 Specifically, the purpose of this study is to evaluate the impact of three statewide black Republican candidacies in 2006 in Maryland, Ohio, and Pennsylvania. During the 2006 midterm election cycle, the Republican Party recruited and gave strong support to three high-profile African American statewide candidates. Secretary of State Kenneth Blackwell and former Pittsburgh Steelers star and television sports broadcaster Lynn Swann campaigned for their state's governorship in Ohio and Pennsylvania, respectively. Lieutenant Governor Michael Steele vied for a vacated United States Senate seat in Maryland. After five decades of miserable levels of support from black voters and numerous initiatives to increase its share of the African American electorate, the GOP estimated that credible black Republican candidacies would substantially improve its image among African American voters and, thus, garner a larger share of the black vote. State Representative James White

dayton ohio mayor political party: *Black Mayors, White Majorities* Ravi K. Perry, 2022-07-19 Recent years have seen an increase in the number of African Americans elected to political office in cities where the majority of their constituents are not black. In the past, the leadership of black politicians was characterized as either deracialized or racialized--that is, as either focusing on politics that transcend race or as making black issues central to their agenda. Today many African American politicians elected to offices in non-majority-black cities are adopting a strategy that universalizes black interests as intrinsically relevant to the needs of their entire constituency. In *Black Mayors, White Majorities* Ravi K. Perry explores the conditions in which black mayors of majority-white cities are able to represent black interests and whether blacks' historically high expectations for black mayors are being realized. Perry uses Toledo and Dayton, Ohio, as case studies, and his analysis draws on interviews with mayors and other city officials, business leaders, and heads of civic organizations, in addition to official city and campaign documents and newspapers. Perry also analyzes mayoral speeches, the 2001 ward-level election results, and city demographics. *Black Mayors, White Majorities* encourages readers to think beyond the black-white dyad and instead to envision policies that can serve constituencies with the greatest needs as well as the general public.

dayton ohio mayor political party: Hillbilly Elegy J D Vance, 2024-10 *Hillbilly Elegy* recounts J.D. Vance's powerful origin story... From a former marine and Yale Law School graduate now serving as a U.S. Senator from Ohio and the Republican Vice Presidential candidate for the 2024 election, an incisive account of growing up in a poor Rust Belt town that offers a broader, probing look at the struggles of America's white working class. THE #1 NEW YORK TIMES BESTSELLER You will not read a more important book about America this year.--The Economist A riveting book.--The Wall Street Journal Essential reading.--David Brooks, New York Times *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis--that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were dirt poor and in love, and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, and,

most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

dayton ohio mayor political party: Barnstorming Ohio David Giffels, 2020-08-25 An on-the-ground look at the diverse challenges facing Ohio, in light of its national significance as the state that has aligned with presidential election winners more than any other -- from an award-winning author and essayist dubbed the Bard of Akron (New York Times). The question of America's identity has rarely been more urgent than now, and no American place has ever been more reflective of that identity than Ohio. David Giffels, a lifelong resident of the bellwether state, has spent a quarter century writing and thinking about what it means to live in what he calls an all-American buffet, an uncannily complete everyplace. With Cleveland as the end of the North, Cincinnati as the beginning of the South, Youngstown as the end of the East, and Hicksville (yes, Hicksville) as the beginning of the Midwest, Ohio offers important insight into the state of the nation. As a historic 2020 presidential election approaches, *Barnstorming Ohio* is Giffels' account of a year on Ohio's roads, visiting people and places that offer valuable reflections of the national questions and concerns, as well as astounding electoral clairvoyance -- since 1896, Ohio has accurately chosen the winner in twenty-nine of thirty-one presidential elections, more than any other state. With lyricism and a native's keen eye, *Barnstorming Ohio* takes readers into the living room of a man whose life was upended just shy of retirement by General Motors' shutdown of its Lordstown assembly plant. It offers an exclusive view into the presidential campaign of Ohio Democratic hopeful Tim Ryan. It takes us into the sodden soybean fields of farmers struggling to outlast the dual punch of a protracted trade war and historic rainfall, and to an indie rock music festival in Dayton a week after a mass shooting there. We enter the otherworld of long-dormant shopping malls as Amazon transforms them into vast new fulfillment centers. On the lighter side, Giffels makes a beer run into Ohio's booming craft brewing industry and revisits the legend (and the bird-nest toupee) of Jim Traficant, a larger-than-life Ohio politician whom many have called the proto-Trump. In a year when Americans are seeking answers, *Barnstorming Ohio* offers rare and carefully nuanced access to the people who have always held them.

dayton ohio mayor political party: *High-tech Grass Roots* J. Cherie Strachan, 2003 Election campaigns in small and mid-sized electoral districts have been run from the grass roots from the beginning of the republic. Yard signs, door-to-door canvassing, and soap-box oratory have characterized state and local elections for years, and many predict their persistence into the 21st century. This book looks at new trends in small-town politics, tracking the infiltration of sophisticated communications technology, the use of political consultants, and the increase in fundraising and campaign expenditures. Original surveys, interviews, and in-depth case studies lead the author to conclude that the new tactics are with us to stay, but that their potentially negative effects--rising campaign budgets and diminished citizen participation--may be mitigated by creative approaches to reform. Visit our website for sample chapters!

dayton ohio mayor political party: *Municipal Journal and Public Works* , 1902

dayton ohio mayor political party: *Lucky Eddie* Edward Focke Breen, 2009-01-01

dayton ohio mayor political party: *Promises of Power* Carl B. Stokes, 1973

dayton ohio mayor political party: *Ohio Government and Politics* Paul Sracic, William Binning, 2015-03-13 *Ohio Government and Politics* provides a thorough, highly readable overview of the history, processes, and institutions of the state's government and politics. In a country

increasingly divided into blue and red states, Ohio is purple – one of the few states that is not dominated by a single political party. Covering the crucial strategies of both the republicans and democrats as they vie for power in Ohio, this new title demonstrates the nationalizing of Ohio politics. However, contemporary issues specific to Ohio politics are not neglected; coverage of important issues such as charter reform in Cuyahoga County and the controversies over the regulation of fracking is included.

dayton ohio mayor political party: The Cynic Alec MacGillis, 2014-12-23 From a dogged political reporter, an investigation into the political education of Mitch McConnell and an argument that this powerful Senator embodies much of this country's political dysfunction. Based on interviews with more than seventy-five people who have worked alongside Mitch McConnell or otherwise interacted with him over the course of his career, *The Cynic* is both a comprehensive biography of one of this country's most powerful politicians and a damning diagnosis of this country's eroding political will. Tracing his rise from a pragmatic local official in Kentucky to the leader of the Republican opposition in Washington, the book tracks McConnell's transformation from a moderate Republican who supported abortion rights and public employee unions to the embodiment of partisan obstructionism and conservative orthodoxy on Capitol Hill. Driven less by a shift in ideological conviction than by a desire to win elections and stay in power at all costs, McConnell's transformation exemplifies the "permanent campaign" mindset that has come to dominate American government. From his first race for local office in 1977—when the ad crew working on it nicknamed McConnell "love-me-love-me" for his insecurity and desire to please—to his fraught accommodation of the Tea Party, McConnell's political career is a story of ideological calcification and a vital mirror for understanding this country's own political development and what is wrought when politicians serve not at the behest of country, but at the behest of party and personal aggrandizement.

dayton ohio mayor political party: America's Political Dynasties Stephen Hess, 2015-11-24 The Constitution states that "no title of nobility shall be granted by the United States," yet it seems political nobility is as American as apple pie. As Hess illustrates, while there always have been dynasties in America, they have not always been the same families: Dynasties are born and dynasties die, their rise and fall is part of the flux of a constantly changing political scene. America was founded in rebellion against nobility and inherited status. Yet from the start, dynastic families have been conspicuous in national politics. The Adamses. The Lodges. The Tafts. The Roosevelts. The Kennedys. And today the Bushes and the Clintons. Longtime presidential historian Stephen Hess *America's Political Dynasties* with anecdotes and personality-filled stories of the families who have given the United States more than a fair share of its presidents, senators, governors, ambassadors, and cabinet members. This book also tells us the stories of the Bushes and what looks to be a political dynasty in waiting, the Clintons. Emblematic of America's growing diversity, Hess also examines how women, along with ethnic and racial minorities, have joined the ranks of dynastic political families.

dayton ohio mayor political party: Power, Community, and Racial Killing in East St. Louis M. McLaughlin, 2005-11-27 Malcolm McLaughlin's work presents a detailed analysis of the

East St. Louis race riot in 1917, offering new insights into the construction of white identity and racism. He illuminates the world of East St Louis, life in its factories and neighborhoods, its popular culture, and City Hall politics, to place the race riot in the context of the city's urban development.

dayton ohio mayor political party: *The American Labor Year Book, 1917-18* Alexander Trachtenberg, 1918

dayton ohio mayor political party: *The American Labor Year Book* , 1918

dayton ohio mayor political party: Socialist Cities Richard W. Judd, 1989-07-28 *Socialist Cities* is a comparative treatment of grass-roots Socialist successes. It marks the first comprehensive look at the urban working-class base of the American Socialist movement in the early part of the century, and reveals the importance of municipal politics as an organizing strategy. The author assesses the reactions of both workers and non-workers to the party, and provides a fresh perspective on the perennial question of why socialism 'failed' in America. He demonstrates that the subtle and ongoing dialogue between the party's own internal theoretical and tactical weaknesses and the broader class and structural obstacles against which it struggled, contributed to its failure.

dayton ohio mayor political party: *The United States Government* Everett Kimball, 1924

dayton ohio mayor political party: Official Congressional Directory United States. Congress, 1979 Includes maps of the U.S. Congressional districts.

dayton ohio mayor political party: A Right to Representation Kathleen L. Barber, 2000 From this practice stems the endemic underrepresentation of minorities in our political life. Enforcement of the Voting Rights Act has led to increased minority electoral success, but the strategy most commonly used - creation of majority-minority districts - has come under attack in the Supreme Court..

dayton ohio mayor political party: The Quest for "Just and Pure Law" John Paul Enyeart, 2009 Focusing on the political culture forged by Rocky Mountain workers from the 1870s through the 1920s, this book shows how the unique working-class politics of the region led to remarkable successes in securing progressive labor legislation. These successes--especially in improving workers' hours, wages, and safety--in turn played a central role in transforming the nation's attitudes toward workers' rights. Examining political culture in the everyday lives of workers (from shop floors to union halls to recreation), the author uncovers a labor movement based as much on pragmatism as on ideology, and he traces how its members productively focused their efforts on political action at the local and state levels. In the process, they developed a genuinely social-democratic political culture.

dayton ohio mayor political party: Not All Politics is Local William Daniel Angel, 2002 In this text Angel details the party fight within Allen County Democratic Party in the 1980s and 90s that led to his ascent to the chairmanship, and describes the period of turmoil, counterplotting and dissension that followed. He offers insights into the people who made up the party at the time.

dayton ohio mayor political party: The Last of the Black Emperors Jonetta Rose Barras, 1998 Offering a gripping, informative, and balanced assessment of Mayor Marion Barry, this book reveals how a crafty, first-generation civil rights era politician pulled off his amazing return to power. 24 photos.

dayton ohio mayor political party: Placing Parties in American Politics David R. Mayhew, 2014-07-14 This work on the structure of American parties combines the breadth that has been characteristic of voter analyses and the richness found in case studies of local party organizations. Originally published in 1986. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

dayton ohio mayor political party: Little Red Dot, The: Reflections Of Foreign Ambassadors On Singapore - Volume Iii Tommy Koh, Li Lin Chang, 2014-10-24 The first two

volumes of The Little Red Dot series covered a wide range of views about Singapore's diplomacy by Singaporean diplomats. This new addition to the series offers a complementary perspective of Singapore and its bilateral relations, through the eyes of past heads of missions from foreign countries who have served as ambassadors to Singapore. The reader will be able to glean insights from the foreign diplomats who took an active role in getting to know Singapore, and at the same time, also worked hard to promote their respective countries' interests. As seen from their perspectives, the reader can learn more about what was unique about Singapore, what they learnt and what made their postings to Singapore memorable. These candid reflections will allow Singaporean readers to understand how different elements of our country are often seen as a whole, and how that in turn contributes to the impressions that our foreign friends have of Singapore. Often cited by the contributors are the success of Singapore's economic development, our cohesive multi-cultural and multi-religious society, our good governance, our education system and opportunities for the young. These aspects that are highlighted, among others, are what makes Singapore unique and they are also important to Singapore's future. There were, of course, some critical comments on some aspects of our culture and political arrangements. We should evaluate them with an open mind, always willing to learn from our friends.

dayton ohio mayor political party: Wisdom of the (S)Ages Dr. Michael Bernard, 2024-04-02

During a forty-eight-year quest of personal and spiritual improvement after entering a recovery program, Dr. Michael Bernard read hundreds of books from every religion and philosophy possible. In this book, *Wisdom of the (S)Ages*, he has chosen thirty publications from thirty of the wisest speakers and writers he has encountered and intertwines their philosophy and beliefs with his to provide the reader with the best spiritual wisdom possible. Michael's hope is that this wisdom will provide insight and direction toward a more worthwhile and satisfying life and direct the reader to more wisdom from these thirty "sages." About the Author Seven years ago, Dr. Michael Bernard retired from a forty-six-year career in the private practice of orthodontics. He now teaches orthodontics parttime at Ohio State University and Seton Hill University and volunteers at Akron Children's Hospital, reading to the children. In the past, he taught 8th-graders Religious Education for thirty-five years at St. Paul's Church in North Canton, Ohio. Michael's hobbies are bike riding the local trails and kayaking in the lake he lives on. He travels frequently both in and out of the country, and he loves reading and writing. He has been in a program of recovery for 48 years along with two weekly Bible studies which has given him the quest for a higher spiritual understanding. Michael has four adult children, two in their fifties and two in their thirties (adopted), and one eighteen-month-old grandson.

dayton ohio mayor political party: Buckeye Battleground Daniel J. Coffey, John C. Green, David B. Cohen, 2015-04-15 *Buckeye Battleground* is the result of a decade's worth of research at the Bliss Institute on elections in Ohio, with special emphasis on the 2004 and 2008 presidential campaigns, and the 2006 gubernatorial campaign. This book seeks to explain why Ohio is, and has been, at the center of American elections. Using historical analysis, demographic data, and public opinion surveys, the authors demonstrate Ohio's role as the quintessential battleground state in American elections. This title is unique in its approach and coverage.

dayton ohio mayor political party: The Regional Governing Of Metropolitan America David

Miller, 2018-03-14 Economic regions competing in a global marketplace describes the future organizing principle of urban regions. This emerging principle contrasts sharply with the historical notion of regions as the informal area in which geo-political bounded municipalities operating in an intergovernmental framework. As such, we are becoming a planet of regions and some regions are moving faster to incorporate new ways of governing than others. Regional Governance of Metropolitan America compares and contrasts governance strategies being adopted or are being considered in regions throughout North America. These strategies find their final tests in dealing with issues such as the deep socio-economic gulf between poor cities and affluent suburbs, physical sprawl from urban growth and its environmental and social consequences, and America's hesitation in creating effective systems of coordinated governance for city-states. Utilizing an historical review of the development of the current legal framework within which municipalities have been organized, the book then examines the competing theoretical frameworks, assessing what makes for a successful governance strategy in a region. 081339807x the Regional Governing of Metropolitan America

Dayton Ohio Mayor Political Party Introduction

Dayton Ohio Mayor Political Party Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works.
